Grapplers Kilburn and Cisco practice holds.

Wrestling, as an interscholastic sport, was started last year at NHS. Coach Auble took the job of coach and taught the interested boys the art of wrestling. The season wasn't too successful as far as the win column goes but a keen interest in wrestling was shown by the boys and Coach Auble is hoping to continue the sport here at Northside. The Tiger grapplers participated in three matches and came out on the losing end but gained valuable experience which will help in future matches. There are many wrestling teams in the area and NHS is hoping to establish a rivalry with the area schools.

Under the guidance of Coach Auble the volleyball team placed second in the Steuben County volleyball meet. Corning Free Academy won the meet and represented Steuben County in the sectionals held at Rochester. Defeating Bath and Painted Post in their first two games the Northsiders were defeated by CFA two games to one, enabling CFA to go to the sectionals.
