The 1992-1993 wrestling season was a very productive one, with a league record of 6-2 and an 11-3 overall. With the help of our new coach Mr. Romesser and assistant coach Mr. Havens, the Blue Devils beat Alexander for the first time in nine years. They also placed tenth out of thirty-four schools in the Geneseo Tournament, thanks to a first place finish by freshman Greg Laude. The team should do well next year with the leadership of juniors Jamie Harloff and Matt Malenski. The seniors would like to thank the 1992-1993 team for making their senior year the best possible. Good luck next year. We will never forget you.
