

VARSITY WRESTLING

Iroquois Chiefs
1982-1983 Wrestling

The E.C.I.C. North Division II Championships went to the Iroquois Varsity Wrestling team. It is the wrestlers 7th straight title and their 24th in the last 27 years. The squad posted a 10-3 dual meet record against tough competition. Team captains were seniors Marty Wallace and Todd Slade. Todd completed his dual meet career with a 55-0 record and four individual E.C.I.C. championships. Timm Slade won over 30 matches this season and took an E.C.I.C. crown.

J.V. WRESTLING

Undefeated can be used to describe the Junior Varsity Wrestling team. They have remained number "one" for the past three seasons.

Highlighting this season was the victory over the previously undefeated team of Lancaster 28-27. A new tactic was used this year. The line-up in tournaments were never used twice. This helped the team members develop to the varsity level.
