

## WRESTLING

Niagara Falls Power Cats  
1966-1967 Wrestling

The Niagara Falls High School wrestling team started its fifth season under the direction of Coach R. Meckes. There are ten returning lettermen. They include Mel Cunningham, Section VI AAA champ; Bill Brown and Stan Kasparczyk, third place Section VI AAA. The team last year had its first winning season with a record of six and five. Winning five in a row, they finished six in a field of fourteen in Section VI AAA tournament. The tri-captains of 1966-67 are: Mel Cunningham, Stan Kasparczyk, and Bill Brown. They will be without the services of Greg St. Onge, the team's only state runner-up last year. Coach Meckes feels that finally wrestling is organized and is looking forward to another winning season.

The Junior Varsity, under the direction of their new coach, Mr. J. Rizzo, finished its second winning season and is looking forward to its third.
