Varsity

Alfred's matmen showed some of their pre-war spirit this past Fall, as they won twice, lost three matches and tied one with the University of Buffalo. With such outstanding varsity competitors as Dale Thompson and Art D'Avanzo returning, and many other experienced men, Alfred's wrestlers reached new heights, despite their record. The highlight of the season came when the Purple and Gold matmen traveled to Canton, N.Y., to tangle with the St. Lawrence University team. The St. Lawrence wrestlers, who had beaten such notable teams as Columbia and Yale before meeting Alfred, and who had not lost a match to the Saxons since 1931, were beaten beyond doubt by the score of 21-11. Earlier, on Jan. 14, Alfred tangled with Rochester Institute of Technology and, before a packed field house, won a decisive victory, 21-22. The letter men are Art D'Avanzo, Dale Thompson, and Jack Wilson.

Alfred Saxons
1949-1950 Wrestling

Freshman

Boasting such outstanding men as Clarence Anderson, Richard Bliss, Robert Corson, Robert Ferguson, William Reid, Robert Wainman, and Elmer Zeh, the Freshman Wrestling squad had a hard time digging up any competition, and found it almost impossible to uncover any tough opposition. However, much experience was gained, as well as techniques and holds from Coach Alex Yunevich. The Purple and Gold Frosh were the best that Alfred has seen in a long time.
