

What--me worry?

Wrestling

Wrestling is one of the oldest sports in history. It is a contact sport which required superb physical condition and outstanding performance by each individual. Through the efforts of Coach Frank Boffa, who has inspired much team spirit, we have been a consistent threat in the Erie County Interscholastic Conference.

Bill Miner has been outstanding in this sport. In four years he has remained undefeated and is a three time sectional champion.

	Lan.	Opp.
