

## MISCELLANEOUS SPORTS

We want a basket! The spectators saw the score rise as the team played F. F. A. students from Kendall, Medina and Lyndonville and won 4 out of 6 games.

Strike! No gutter balls thrown by this bowling team. The team had a very successful year. An out player, Raymond Daniels, represented the team in the Finals.

Our wrestlers, under Co-Captains John Hales and Donald Erway, competed in tough matches at Batavia, Middleport and Alexander, and went to the County meet. James Plummer, Donald Erway, John Hales and Roger Hill, winners of the County meet, will attend the Semi-Finals.

Over the net, not under! And the ball went over the net every time as the Co-Ed Volleyball team went undefeated. After winning the games played with Freshmen, Sophomores and Juniors here at school, the team went to Batavia. There they won every game played.
