"The Wrestling team, under the direction of Coach Lyndaker and co-captains Ron Brigham and Larry Poler, established a fine record of eleven wins with only two defeats. Among the highlights of the 1960 season are included the 25-21 defeat given to Lancaster, their first in two years; the winning streak of nine wins; and the trophies captured by Ron Brigham and Tom Dantley at the Spencerport Invitational Tournament.

The team was rated fourth in the Sectionals, with seven out of the ten regulars placing. Tom Dantley won his second consecutive sectional title in the 112 lb. class. Ron Brigham, Jim Clark, and Roger George placed second; Farrell and Payne, third; and Poler, fourth.

The team had the best season so far, and even though it will miss the support of its graduating members, the group is looking forward to another successful season."

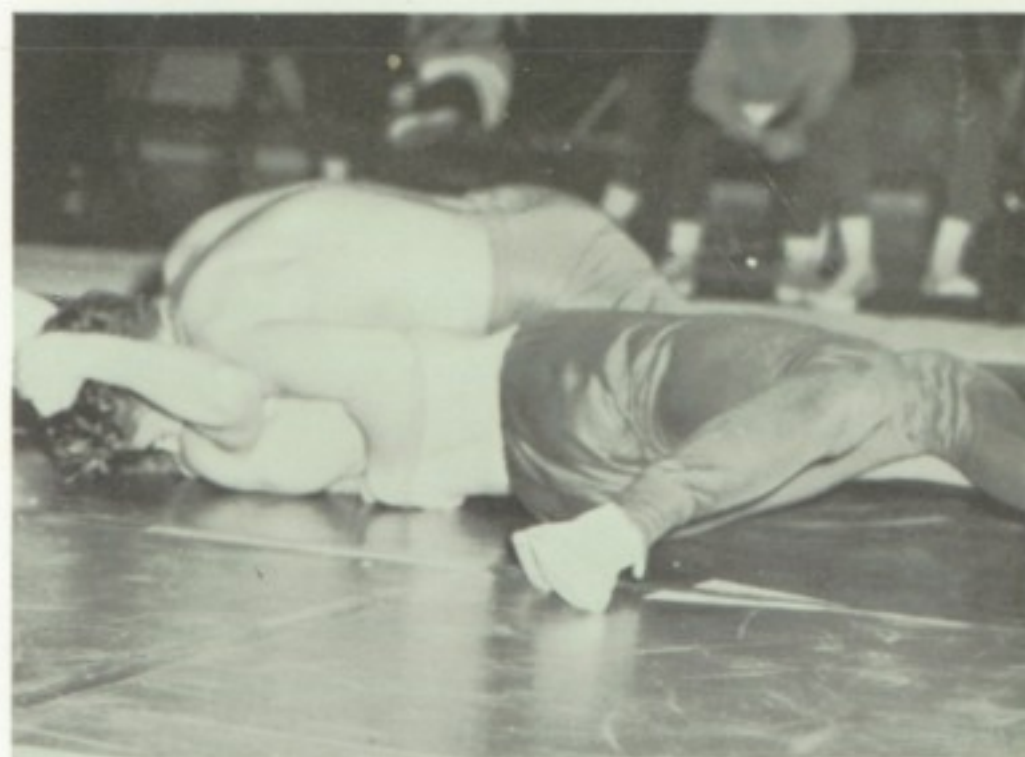

*Back Row:* Brigham, Poler. *Front Row:* Monell, Mr. Lyndaker.
