Wrestling Team Again Successful

COACHED by Mr. Hoff, the wrestling team has again won first place in the city scholastic wrestling league. Not only did they win the championship in the league, but placed four boys in the individual city championships.

Wrestling is looked upon as a popular sport and is now being recognized highly in many schools. To date "Tech" has won seven of eight championships, and it looks as if they might repeat next year.

Bell, one of the smallest men on the team, amassed the most points.

Robinson in the 105 lb. class is a branch of the Robinson family and following in his brother's footsteps.

Urbanik, wiry as he is, does not like to wrestle over a minute.

Giancursio represents the strong man of the team.

Goodman—Capt. is like a stone wall; hard to beat.

Spronza—Could take them all but Goodman.

Reddy and Deprez fought to win or lose and they usually lost.

Stendardo doesn't like the thought of losing.

Smith needs to reduce plenty of pounds before he tackles Sonnenberg.

The fourteen wrestlers who participated in the city tournament were very successful. Ten entered the finals, and four emerged victors.

The champions of Tech are:

112-lb. class—Stendardo (2nd year).

118-lb. class—Bell.

135-lb. class—Goodman (Captain).

Unlimited—Smith (2nd year.)
