

# HOYT'S LAST STAND

Similar to the gymnastics team, the wrestlers bid farewell to a highly successful and well respected coach. After 20 seasons of coaching wrestling, Coach Hoyt is going to retire.

Captains **Alex Croog** and **Rusty Grant** piloted this years varsity wrestlers through many hard fought battles. The over-achieving squad suprised all but themselves by finishing 6th in the county, while the JV's went 12-2. Both Croog and Grant went undefeated and looked to place well at states. Juniors **Ethan Sinnot**, **Kenyatta DeCosta**, and **Kwesi Edwards** wrestled well and are a strong nucleus heading into next year.

This years team bid Hoyt farewell in style: his 200th career coaching victory came in their last meet of the season. "We're sorry he's leaving but Brighton has a strong coaching staff, and will hopefully be able to pick up where Coach Hoyt left off," said senior **Andrew Curwin**. "They say wrestling builds character. No one added to that quote more than coach Mark L. Hoyt," said Edwards. "I was proud to have had him as my coach."
