

## Looking Good in '76

# Westfield Grapplers Wrest Division II

The 1974-75 season was the most outstanding accomplishment in Westfield wrestling history. The grapplers captured the Division II title with a league record of 7-0 (13-2) overall. The team placed first in the Holiday Tournament; fourth in the Portville Tournament.

The team lost some outstanding seniors but the 1975-76 season is looking hopeful with quick and aggressive men on the mats. The league is becoming tougher and the Wolverine grapplers will have to put forth their best to stay on top.

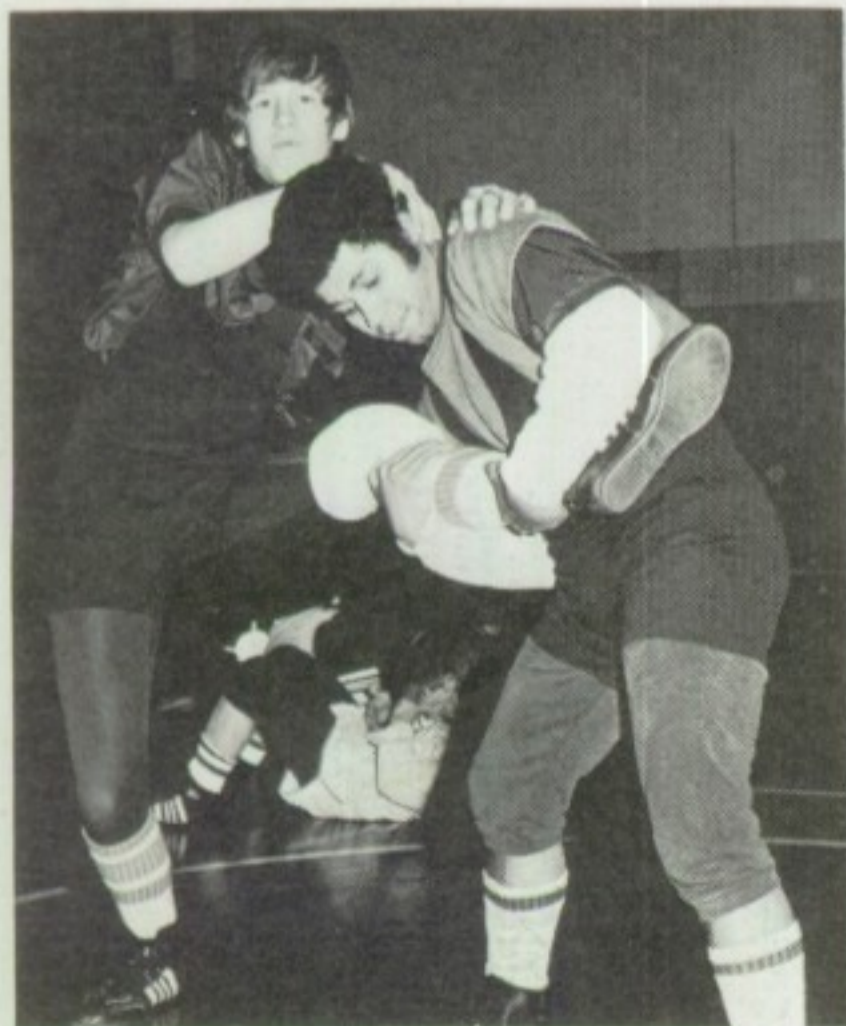

The wrestlers plan their strategy in a pre-game huddle on the mat.

"Gotcha now, sweetheart!"

Herb Torres waits for the referee's starting whistle in the Panama match.
