## Wrestling

The season opener was with Wilson which the team won easily with the line up we had at that time. Injuries began to plague the team, with eventual loss of three varsity wrestlers for the season.

Discipline was a problem with some wrestlers, with three being suspended for all or part of the season.

If these problems were not enough we also had the weather cancel many of our practices.

It was a very disappointing season, but I was pleased with the enthusiasm of the J-V wrestlers who had to man the varsity positions. Chris Merkle did a fantastic job as Captain helping maintain esprit de corp.
