

## J.V. AND VARSITY WRESTLING

### Wrestlers Second in Sectionals

The 1975-76 Wrestling team was a conglomeration of sophomores and seniors who had little mat experience. Only two starters from last year's team returned, as 10 veterans graduated. Despite their inexperience, the 75-76 team registered a fine 10-4 record finishing second in the division against Cheektowaga. The other losses include division winners Pioneer and Attica. The team finished the season with a strong performance in the division IV sectionals. Finishing second, Iroquois defeated Cheektowaga and Depew, losing only to Olean. The most outstanding player in the season was Mark Malay with 25 wins, 2 losses and 1 tie.
