Wrestlers Grapple For Victory Pins

Coach Jon Hoek and his squad can be proud of this 1978 season. This year's wrestling team had some outstanding performances from senior Jay Sugden and junior Pat Mosko. Jay's overall record was 20-1-1 capturing the Newfield, Savona and County championship. Jay also broke the school record with 17 consecutive wins. Pat's record was 16-2 capturing the Newfield and Savona championship. He also placed 3rd in Counties.

The team match record was 10 wins and 14 losses. The record however does not reflect the true picture due to many free points given away by forfeits.

Seniors on the team are Jeff Brown, Ben Clark, Kevin Lewis, Jay Sugden, and Chris White. The seniors all contributed important points to the team as well as making significant personal efforts. Our seniors will be missed and are congratulated for their fine season.

Several new wrestlers from our J.V. team will be taking important positions on next year's varsity squad. Jeff Jones, Tracy Burdett, Rick Vosburg, and Bob Carnes are expected to continue strong bids for pins next year.
