Larry,
too bad you
were injured all year
long (only because of me)
maybe you could of wrestled
more. Good luck in
college and everything else
It was a great year!

St. Joe's Marauders
1983-1984 Wrestling

This year St. Joe's was fortunate to have a wrestling team. The team was inexperienced but compensated for this in enthusiasm and courage. The team was coached by Dwight Dale, who is an expert in the wrestling field. Coach Dale conditioned our wrestlers to make them very competitive.

The team was led by Seniors Mark Neunder, Bill Willick, and John Segelhurst. Sophomore Steve Christiano posted the team's best individual record. Tony Mistretta sparked the team with his winning performances. The team has a promising future. The response to wrestling was tremendous

and the contribution by everyone on the team made this year successful.

Coach Dale feels this was an excellent season for building a strong program in the future. The difficulty in starting a new sport was overcome and wrestling holds a promising future.
