WRESTLING

The M.C.S. wrestling team, a group in only its second year of existence, undertook an ambitious schedule during the past year. The squad played a total of seven interschool matches through the regular season in addition to participating in the annual Section V meet which was held at Wayne Central School. Although the results of the four matches listed below are not too impressive, they still show a great achievement in that a school completely new in a sport can score fairly well against a school with many years of experience in that field.

February 6 and 14 represented milestones in Marion sports history, for on these dates the first home wrestling matches were held in the M.C.S. gym. These meets against Wayne and Victor were open to the public and were very well-attended. Wrestling is a much more exacting sport than television portrays it as being, and so many people round that they had come to learn as well as to watch. With time, wrestling may well become as important as many of the more established sports at Marion Central.

Four of Coach Jim Lewis' varsity grapplers have scored at least two wins each in the four matches thus far completed. They are Jack Fisk, Ernie Arnold, Marvin Love and Søren Kjaer-Poulsen. For wrestling, scoring is done on the basis of 5 points for a pin, 3 for a decision win and 2 for a draw or no decision. By points, the leading M.C.S. scorers are: Fisk, 10; Arnold, 8; Kjaer-Poulsen, 6; M. Love, 6; Klaver, 3; D. Love, 3; Bellefontaine, 3; and Logue, 3. This sport should soon become an important feature of Marion's program of athletics.
