THIS year for the first time, Interfaculty boxing was promoted and proved highly successful; Coach Robinson found that before the would-be Dempseys had entered the ring on the final night that he had refereed eighty-six elimination bouts. The club is indebted to Mr. Walter Molson for medals which were presented by Sir Arthur Currie to the winners in the various weights.

During the season which commenced in October, the McGill boxers competed with teams from the National A.A.A., Montreal, and the M.A.A.A. while a combined boxing and wrestling team carried off the honours at the Ottawa Winter Carnival by the score of six to three. The wrestling team unsuccessfully competed with Cornell University on Feb. 10th. at Ithaca. The following night they met Syracuse and succeeded in securing a clean cut victory. Cohen the 145 lb. rep-

resentative deserves special mention in that he was victorious at both colleges.
