STATE COLLEGE OF WASHINGTON

A large number of mat artists reported to Coach Bohler for the early season workouts in wrestling. Tournaments had been scheduled with Washington and with O. A. C. A feature of the season was the interclass tournament held for the purpose of picking Varsity material.

The State College tied with Washington in the four matches scheduled with the West Siders, Captain Cornwall winning the 158-pound match and King taking two falls at 135 pounds. In the tournament with O. A. C. Savidge won the 145-pound match and Gridley bested his man in the 115-pound class.

The championship remained unsettled, O. A. C., Washington and the State College tying for first place.
