## WRESTLING

Coach Roland Granger has produced a group of hard-working, sound-minded boys in his first season as wrestling coach. An excellent competitive spirit has been shown by the team, which has won several matches.

In the past few years there has been an increased interest in this sport. The accomplishments of this year's team have induced an even greater number of spectators at our wrestling meets. Bob Matteson is undefeated, and Tom Coddington and John Gemmel also have excellent records. The rest of these boys have done their share, too, in bringing even more recognition to H.H.S.
