The IHS wrestling team, best in the school's history, finished third in the County Wrestling League with a fine 10 win—4 loss—1 tie record. Pacing the Indians in point scoring was Tom Borschoff in the 95 lb. weight class. Bob Steihler and Jay Whipple, in the 103 and 138 lb. weight classes respectively, ran their consecutive win streaks to over twenty in league action. Other standouts on the team were Dick Clintsmen, Dick Steihler, Brian Kaiser, and Dick Seely. Brian Kaiser captured the championship in the county matches in the 115 lb. weight

class at the end of the season. Irondequoit also took the team title in the county, beating powerful East Rochester and Webster by placing several grapplers in places third through fifth.

Another highlight of the year was the 48-0 rout of Fairport, a rare shutout where IHS swept all matches. We salute Coach Arthur Connorton and his standout team on the fine season.
