Kendall introduced a new and exciting Varsity sport this year under the direction of Mr. French. Wrestling is becoming a very popular sport in high school. The boys this year on Kendall's first team put out a good deal of effort and has done well. Two of our boys went on to win G.O. League Championships: Dana Moore in the heavyweight class and Steve Keyser in the unlimited weight class. These two will go on to further tournaments. With the team's enthusiasm continuing next year, we will go on with even more championships.
