COACH'S CORNER

This was a very enjoyable group to be with. We really worked hard, but we had fun doing it. We had a really fine crew of boys.

One bright spot was our Christmas tournament. Captains Bruce Beaman and Eddie Miller beat the pack and brought home the silver. Our heavyweight, Jim Coyle followed their example and also took first place with a very convincing pin in his final match.

We have many fine wrestlers coming up through the J.V. ranks, and with this fact in our minds — we are looking forward to next year.
