After an absence of a few years, Mr. William Schworm as again assumed the coaching duties of the D.H.S. Wrestling Team. Assisting him in his duties is a newcomer to our faculty, Mr. James Wallace. Wrestling is fast becoming a popular sport in our school. So much so, as a matter of fact, that the team now has its own cheerleaders who accompany the team when they compete. The attendance at these matches is growing and more and more students are becoming interested in the sport and the team is expanding. We wish Mr. Schworm, Mr. Wallace and the team the best of luck in their competitions—this year and in future years.
