This year's wrestling team proved themselves to be outstanding in every category. During the Christmas season they faced eight other teams in the Akron Tournament and won well-earned recognition in several categories. Al Bellanca, Seth and Bret Greenky, and Brian Wilson attained 1st place in their separate weight classes. Seth also won two other awards--outstanding wrestler and quickest pin of the tournament (35 seconds). The team proceeded to capture 1st place. The victorious season could not have been so successful without the superb coaching of Mr. Waltz and Mr. Halm. Next year's team looks equally as promising with the return of Bret Greenky, Brian Breneman and Bill Cromwell.
