The Varsity Wrestling team had a great season this year. They had an impressive record of 9-4-1. The highlight of the season for the team was their first place finish at the Arco Tournament, with Jim Fox and Pablo Larrosa taking first. The team placed fifth in the Newark Tournament. Senior Greg Young wrestled for first place here and also in the Goshute Valley Tournament.

The team had an excellent end of the season. They placed fifth in Counties. Jim King and Greg Young came away as County Champions. Second place was won by Doug Hurlbut and Jim Fox. A third place went to Mike Green. At the Section V, Class "B" meet, Jim King took second, and Mike Green and Jim Fox took fourth. These three wrestlers went on to the State Qualifier Meet. Mike Green was unable to participate due to a shoulder injury, and Jim Fox was defeated in the preliminary round. That left Jim King to carry the Mustang colors, and he did an outstanding job—2-1 in the 187 lb. weight class. He worked his way to the semi-finals, where he lost to a senior from Placer.

As the season progressed, the Mustang wrestlers improved their reputation and became more impressive in the area picture. Coach Dan Carmen is looking forward to another great season next year!
