The Comet wrestlers dropped to a 5-6 record under new head coach Terry Gates. They were led by team captains Chris Nakis and Section V Champion Don St. James. They won the tough Caledonia-Mumford Christmas tournament, taking four individual championships. They also placed sixth out of eighteen teams in the Monroe County tourney. The team will lose only four seniors and should look good next year.

First year coach Greg Geer guided a young team through a learning season, and a 3-6 record. Team captains were un-beaten Jim Quinn and JV county runner-up Tom Thomkins. Also placing third in the county was Steve Maddock. Next year Coach Geer should have one of the county's best JV teams.
