WRESTLING, BASEBALL and TRACK are popular sports at our school. The spring sports, TRACK and BASEBALL, were just beginning when this book went to press so no statistics are given.

The WRESTLING TEAM showed a marked improvement this year. Since it was only its second season, it did not enter league competition. However, it competed with both league and non-league schools.

MEL LAUDE led the team scoring with 48 points. Other high scorers were: LEN HOCHADEL, 30 points; RON RINGLEBEN, 28 points; PAUL POOLE, 26 points; and ANDY STANGL with 25 points. In determining scoring, five points are awarded for a pin and three points for a decision.

In the class B sectional finals at Pine Valley Holland showed its potential by gaining five places. MEL LAUDE, LEN HOCHADEL and PAUL POOLE placed third while RON RINGLEBEN and ANDY STANGL finished in fourth place.
