VARSITY WRESTLING COACH:

PETE LOGAN

26TH YEAR

Coach's Comments: I am pleased with the Team's performance this season. In most meets everyone on the Team wrestled to his ability and met the challenges. I feel we only fell short of this goal a few times through out the season.

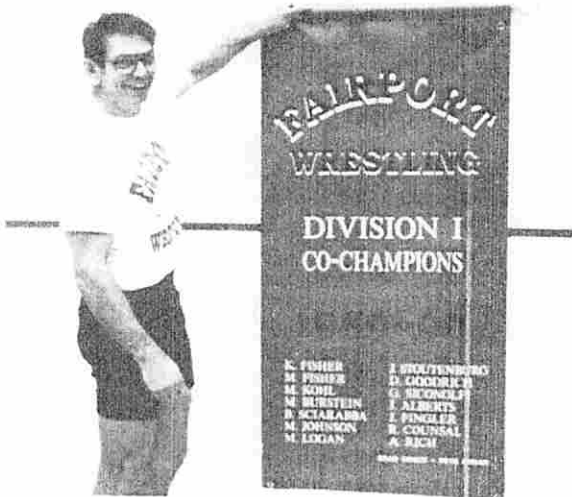

*Unbreakable Lens
Used this Year
AGAIN!!!!*

I want to congratulate the Team for once again becoming Co-Champions of Division I. I know we didn't reach Our goal of becoming sole champions but we suffered through adversity and should be proud of our accomplishments.

I want to thank the Seniors for setting high standards for the Team. These standards allowed us to meet and overcome the challenges the Team faced.

For the returning veterans our goal, the Team's goal is unchanged. We will follow our pursuit of excellence and continue building Fairport Wrestling into one of Section V's most successful programs.

Thanks again for another season of happy memories, of fine athletes, and of super individuals. I hope that in the years to come you will look back on your wrestling careers with fond memories and with the making of life long friends.

Thanks again for all your efforts- Best Wishes

Coach Logan

COACH'S COMMENTS:

This team grew a tremendous amount over the last year. Though we never used the same line-up twice all season, we were able to fight through this adversity and repeat as the Division I JV Champions. The JV Red Raiders developed through important non-league matches with East Rochester, Pal-Mac, and Brighton. The season ended when the Red Raiders defeated Greece Athena to retain the Division I title.

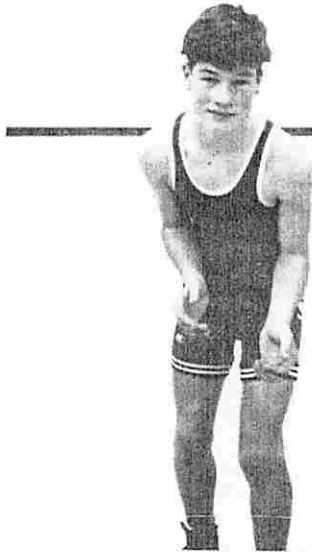

Congratulations to the Sophomores who were part of two championships and I know that you will have success in the future. I am very proud of how much the Freshman improved and I look forward to continued success next year.

You should be as pleased with your accomplishments and as proud as I am of your efforts.

Thanks for a great season,

Coach Barker

ODE TO A WRESTLER'S MOTHER

I think that wrestlers' moms agree,
Not one maintains serenity
When her son's there upon the mat
And some big bully takes him flat.

Then brutally applies a hold
That twists the boy while Mom grows old;
Her heart skips beats and time stands still;
Till he escapes, his Mom looks ill.

Some moms can't look and some moms freeze,
And some will yell at referees;
And some will punch upon the dads
In desperate tries to help the lads.

Remember the bumps and bruises Mom fixed;
Remember the vitamins too.
Think of the meals and the medicines mixed,
Remember how strong her sons grew.

Where is the boy with the handsome physique,
Who constantly cleaned up his plate?
The very same lad who's a bundle of bones
As he starves and sweats to "make weight."

What ever happened to the young man
Who used to stand upright and tall?
Crouched in the mat like a gaunt, stalking ape
Who barely looks human at all.

I think that I will never see
A wrestling mom impartial be,
When her son's out before the crowd,
You almost hear her prayers out loud.

She's thankful for the coach and school,
She's proud her son can keep his "cool,"
She's thankful he has strength and poise,
And best of all, he's wrestling boys!
