***Dear Parents, Wrestlers, and Friends,***

My first year as the Varsity Wrestling Coach at Fairport has been an exciting one. I have enjoyed working with the young men who chose to participate in the sport. The season was highlighted by several accomplishments.

In the season opener we had a nail biter against Irondequoit. By midway through the match I was no longer able to wear my tie. I also knew then that my tie would be coming off in matches to come. We were able to come out on top thanks to our heavyweight connection. The final three weights occupied by Dave Fingler, Jake Boerman, and Neil Ramage would become the backbone of our team.

From there we traveled to the Penfield Tournament and showed several schools our team's strength. By tournament end we crowned four champions and brought home a team trophy.

Throughout the rest of the season we experienced our ups and downs, as any team does. However by season's end all of our wrestlers were ready to wrestle, having their best showing from top to bottom in the Class A Sectional Tournament. As a team we took sixth place, finishing ahead of league champions Webster, advancing five wrestlers to the Super Sectional Tournament. Among the five qualifiers were our triple threat connection along with Kyle Tellex and a watered down Chad Cullen. Every one of our wrestlers at the Class A's demonstrated hard nosed wrestling. This is the type of wrestling that it takes to be a champion. After witnessing this I knew we would have another tough team next year and for years to come.

Our team is graduating six seniors and their absence will be felt. However, we have lots of depth as well as talent coming back. Next year's team will be led by Neil Ramage, Jake Boerman, Chad Cullen and Kyle Tellex, all return as Super Sectional qualifiers. Boerman returns as a two-time Class A Champion. Also returning from this year's varsity squad are Matt Cunningham, Joe Hladis, Joe Fingler, Josh Salzman, and our injured 103 pounder Aaron Rowe.

Also making some noise next year will be JV All-County wrestlers Albert Van Laeken and Joe Hanna. Other returning wrestlers with varsity experience include Steve McElvain, Shawn Reiss, Jim "cross-wrist" Kenny, and Dan Szweda.

Our future looks bright as long as our wrestlers continue to work hard on and off the mat (which means in the classroom!!). I look forward to seeing the wrestlers this spring, at summer camp, and next season.

Coach Craig Kaper

## ***Red Raiders Wrestling Seniors ...***

---

**Jamie Freyn**  
**119, Senior**

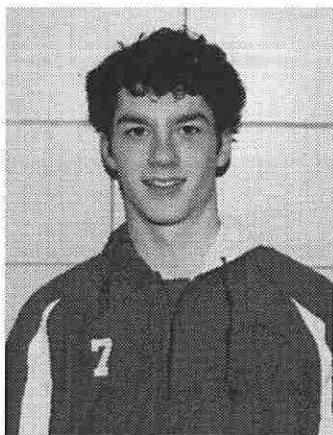

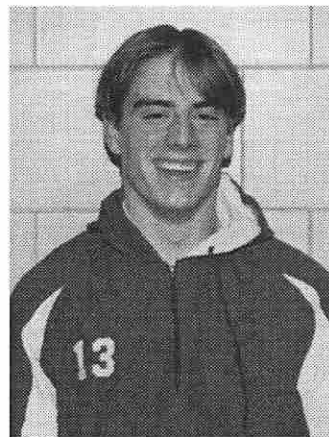

Varsity Record: 8-8

Jamie had a tough senior year sustaining a knee injury in his first match of the season. He was a technically sound wrestler who was wrestling out of his weight. Jamie was able to compete at 119 giving his opponents a run for their money even though he was giving up several pounds. He proved his toughness when came back from his injury to place 4<sup>th</sup> at the Counties to earn All-County honors for the second year in a row. There is no telling what could have been had he been certified for a lower weight.

**Chris Vossler**  
**140, Senior, Co-Captain**

Varsity Record: 17-12

Chris is an extremely dedicated young man who was a pleasure to coach. He had one of the best seasons on the team but unfortunately was in one of the toughest weight classes. He won his first varsity tournament at the Penfield Christmas Tournament and finished a strong 4<sup>th</sup> at the Clayton-Barnard Tournament. Chris had big wins over Shane Scott a Class C Champion from Letchworth and Matt Nentarz, Class C Runner-up. The coaches and his team will miss Chris next year. We are sure that Chris has a bright future and we wish him the best of luck.

**Jon Hanna**  
**152, Senior**

Varsity Record: 2-13

Jon proved to be the strongest guy on our team, bench pressing over 200 lb. On the mat Jon struggled because of inexperience. He earned his first varsity win with a pin in just 51 seconds against Victor. He was a 1<sup>st</sup> year senior and every time he came off the mat I would tell him, "I wish you came out sooner." That's because every match Jon improved, going close with some tough experienced wrestlers. Jon is a great person and will be missed by our team.

---

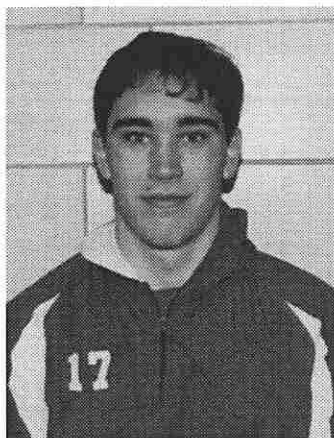

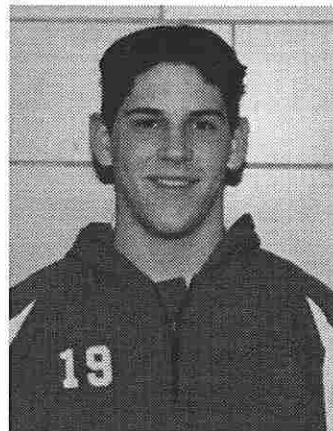

## *... Red Raiders Wrestling Seniors*

---

**Dave Fingler**  
**160 / 171, Senior, Co-Captain**

Varsity Record: 26-8

Dave had a great season capped off by a 3<sup>rd</sup> place finish at the Class A's. He also won the Penfield Tournament, finished 2<sup>nd</sup> at the Bradshaw Tournament, and 3<sup>rd</sup> at the County Tournament to earn All-County for the second year. He was also named to the Monroe County East All-League first team. Dave was part of our triple threat at the end of the lineup. It seemed like we could always count on him for points. Dave really improved throughout the year and by season's end he was giving Coach Kohl a run for his money. Dave was also a team captain this year and did a great job with his leadership role. He is a senior and will be missed by our team.

**Tom Pearsall**  
**171, Senior**

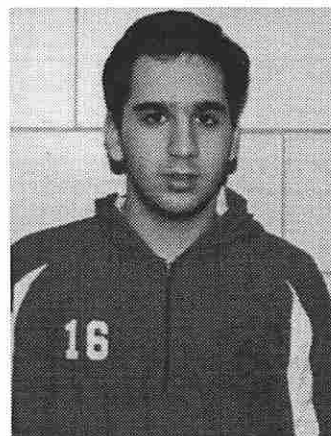

Varsity Record: 2-7

"Tommy P" is a great young man who works real hard in our wrestling room. He is another one of our seniors who came out for the team late in his high school career. He picked up his first varsity win at the Monroe County Tournament against Penfield with a 6-3 decision. Tommy had some great showings this year and showed real improvements by season's end.

**Sacha Vafaesefat**  
**189, Senior**

Varsity Record: 0-0

Sacha ran into a nagging knee injury this year and was unable to compete. We relied on him for other ways to help the team and we were never let down. Sacha is a delightful young man and was a pleasure to have on our side.

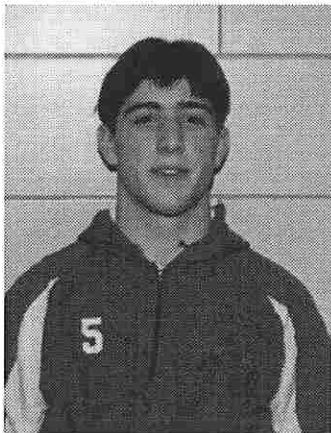

---

## ***Red Raiders Wrestling Juniors ...***

---

**Joe Hladis**  
**135, Junior**

Varsity Record: 14-13

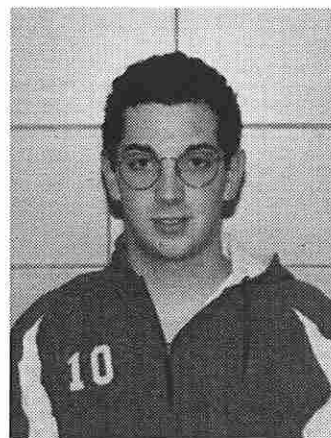

Joe had a great start winning his first varsity tournament at Penfield, but ran into a nasty case of bronchitis in the middle of the season. He is a hard-nosed wrestler with the capability of winning any match he wrestles. Joe will be a senior co-captain next year and we expect big things!!

**Josh Salzman**  
**152, Junior**

Varsity Record: 1-7

JV Record: 6-3

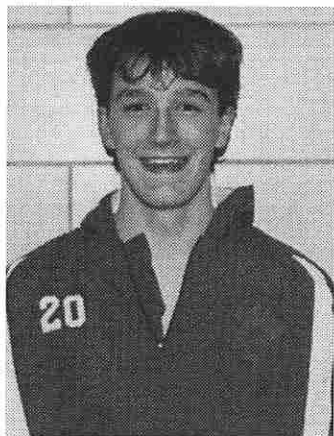

Josh split time between varsity and JV. While on the varsity he found himself wrestling some of the top names in Section V. Josh has another year remaining and has the talent to have a productive year.

**Jake Boerman**  
**189, Junior**

Varsity Record: 26-7

Like many others, Jake really came on at the end of our season. He captured his second Class A Tournament title and beat opponents that had beaten him earlier in the year. Jake also won the Penfield Tournament, made All-County for the second year finishing 2<sup>nd</sup> at the Counties, and placed at the prestigious Bradshaw and Clayton-Barnard Tournaments. He was named to the Monroe County East All-League second team. Jake is a very talented wrestler who has a legitimate shot to do big things next year.

---

## ***... Red Raiders Wrestling Juniors***

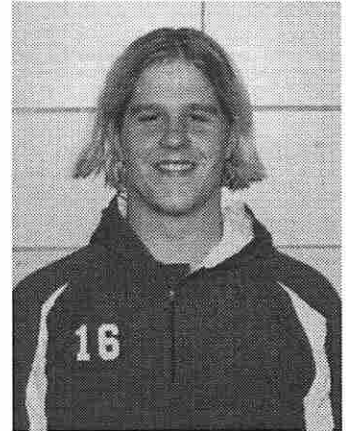

---

### **Chad Cullen 215, Junior**

Varsity Record: 2-3

JV Record: 22-2

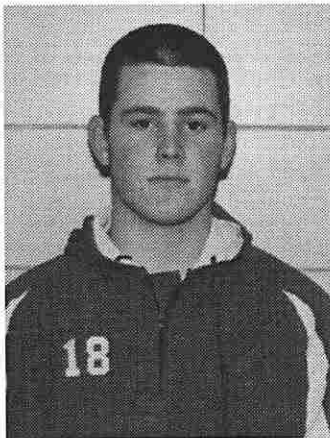

Chad spent the season on the JV level and was basically untouchable. With any other team in the county, he probably would have been wrestling varsity. Chad "watered" himself down and wrestled super heavyweight at the Section V Class A Tournament and managed to beat the #1 seed and finish 2<sup>nd</sup> to reach the State Qualifier. He won the County JV Title (215), and also won the Penfield and Leroy Tournaments. As the JV Captain, Chad gave the team leadership as well as scoring all season. Chad accumulated the most team points, the most team wins (22), and the most pins (10). We hope Chad will "beef-up" with the weights and football so he can wrestle as a true super heavyweight his senior year.

### **Neil Ramage 215, Junior, Co-Captain**

Varsity Record: 29-9

Neil was the closer of our triple threat. He had the most wins (29) on our team. He stepped on the mat against Irondequoit, Eastridge, and East Rochester with the team trailing and delivered a big win each time. Neil placed in every tournament the team competed in this season, earning All-County honors at the County Tournament, and was named to the Monroe County East All-League first team. He was a co-captain as a junior and carried out the role well. At the Super Sectionals Neil ran into some guys that were bigger or stronger. If he hits the weights this off-season, Neil should dominate his weight class next year.

**Karyn Weeks  
Manager, Junior**

**Kimberly Popplewell  
Manager, Junior**

Karyn & Kimberly, thanks for all your hard work this season.  
The Coaches

## ***Red Raiders Wrestling Sophomores ...***

---

**Kyle Tellex**  
**112, Sophomore**

Varsity Record: 19-12

JV Record: 3-0

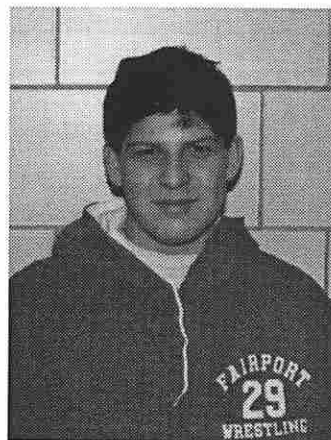

Kyle is one of our hardest workers. He has become a year round wrestler, and that has helped him become extremely successful. Kyle had a great showing at the Class A Tournament and qualified for the Super Sectionals. He was named to the Monroe County East All-League second team. He has two years remaining and is expected to be a huge producer for our program.

**Steve McElvain**  
**160, Sophomore**

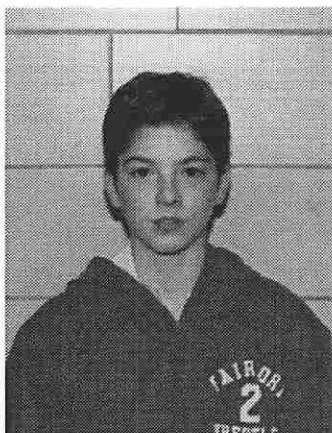

Varsity Record: 0-3

JV Record: 10-12

"Little Mac" wrestled most of the year at 160 and finished with a 10-12 record. He missed all of last season with a shoulder injury. Steve had 5 pins and led the team in reversals. Through off-season camps, tournaments, and weight room, Steve might be able to challenge for a varsity position next year.

## ***Red Raiders Wrestling Freshmen ...***

**Joe Hanna**  
**96, Freshman**

Varsity Record: 1-0

JV Record: 8-7

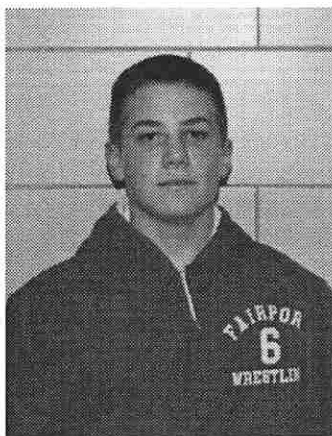

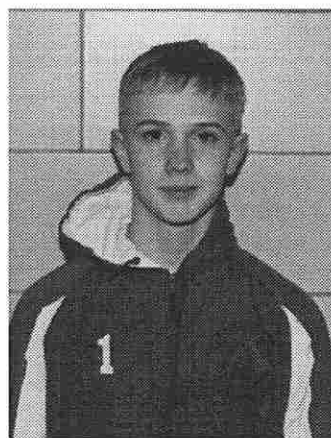

Wrestled 96 lbs. for the JV team. Placed 6<sup>th</sup> at the Monroe County JV Tournament to earn All-County honors. With further work in the off-season camps, tournaments, and weight room, Joe could become a real competitive wrestler next season at either 96 or 103.

**Aaron Rowe**  
**103, Freshman**

Varsity Record: 1-3

JV Record: 3-3

Aaron had a great showing at the Penfield JV Tournament, capturing 2<sup>nd</sup> place. As coaches decided to pull Aaron up to varsity, the move proved worthwhile as Aaron quickly excelled. He won his first varsity match against Penfield pinning his opponent. Unfortunately he was injured in practice and missed a major portion of the season. With work in the off-season, we expect big things from him in the years to come.

**Brian Baniewicz**  
**119, Freshman**

JV Record: 7-17

Brian had his ups and downs throughout the season. His record did not show many wins, but he was wrestling in a highly competitive weight class (119). He wrestled his best in the McQuaid Dual Meet Tournament and was named Wrestler of the Week. Brian will probably move up a weight class or two next season.

**Matt Cunningham**  
**125, Freshman**

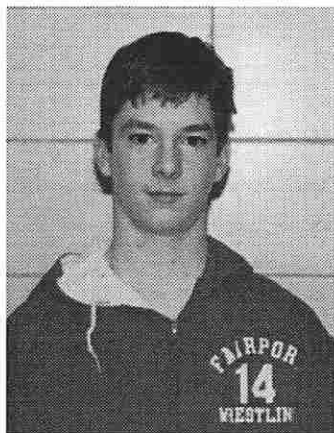

Varsity Record: 8-14

JV Record: 10-2

Matt was a freshman this year in a weight class filled with talent. His best showing was by far the Class A Tournament. He pounded his opponent from Webster and went on to wrestle a tough kid from Athena. With seconds to go he pulled his shoulder, which could be a serious injury, trying to reverse his opponent and win the match. Matt has three years remaining and is on track to be an extremely successful wrestler. When he is confident, he is tough to beat.

## ***... Red Raiders Wrestling Freshmen ...***

**Jim Kenney**  
**130, Freshman**

Varsity Record: 1-0

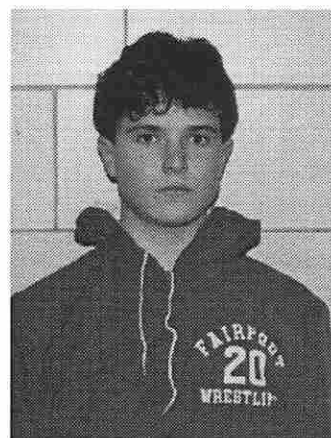

JV Record: 11-12

Jim came up big in his first varsity match against East Rochester when Coach Kaper pulled a lineup switch and called him up from the JV. He won with a pin to help the varsity win a key league match. Jim had a .500 record at the 130 lb. weight class, but was 5-0 in league matches this season. Injuries and sickness hampered him throughout the season. He definitely needs to work on wrestling in the off-season as well as in the weight room. Jim will be a major force in the middle weights next year.

**Justin Cunningham**  
**135, Freshman**

JV Record: 5-13

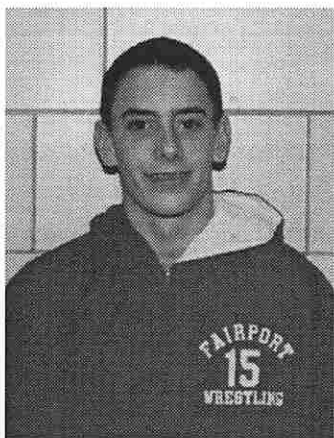

Came out for the team in mid December for his first year wrestling. Through family influence, Justin became sold on wrestling being one of his main sports like twin brother Matt. He didn't win many matches but his determination made wrestling exciting. Justin was 4-1 in league matches. He will definitely help out next year in the middle weights. His off-season work ethic will make a major difference in his wrestling performance his sophomore year.

**Albert Van Laeken**  
**140, Freshman**

JV Record: 8-17

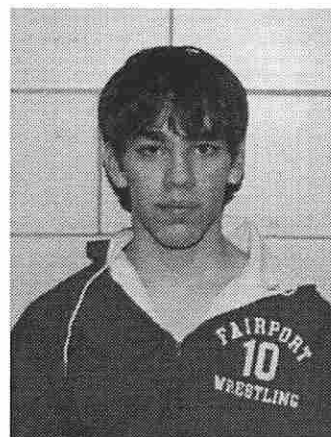

Albert is the "Eveready Battery", he keeps coming out night after night, sick or injured, and he still gives it 100%. He placed 6<sup>th</sup> at the JV County Tournament to earn All-County. His sophomore season is going to be exciting because of all the hard work and dedication he has put into this sport his freshman year.

**Steve Hassett**  
**145, Freshman**

JV Record: 15-5

Steve had one of the best records on the JV team and was 2<sup>nd</sup> on the team in wins with 15. "Mr. Takedown" accumulated 42 takedowns this year, which is outstanding, to lead the team and placed 4<sup>th</sup> in the Leroy Tournament. If Steve works a little with wrestling in the off-season and his grades, he should challenge for a varsity position next year.

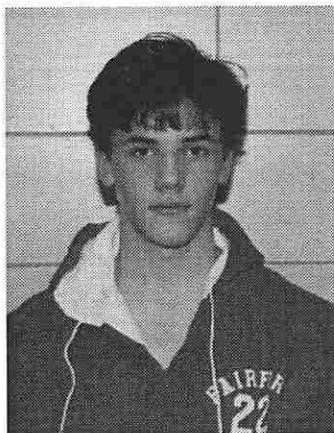

---

## *... Red Raiders Wrestling Freshmen ...*

---

**Mike Germano**  
**145, Freshman**

JV Record: 5-8

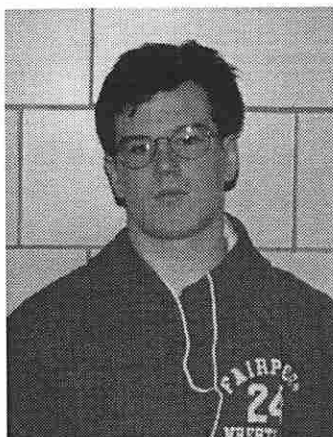

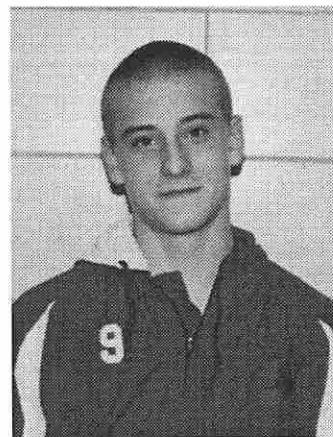

Mike wrestled off and on in the 145 weight class. He was 2-0 in league matches this year. A nose injury ended his season just before the JV Counties. Next season Mike will be real competitive in the middle weights.

**Shawn Reiss**  
**152, Freshman**

Varsity Record: 0-1

JV Record: 13-12

Shawn might have the most potential of any of the freshmen on this year's JV team. He has all the tools to become an outstanding wrestler. He is also a three-sport athlete, football, wrestling, and track. He led the team in pins with 10 and was third in team scoring with a 13-12 record. Shawn had a 5-1 record against league opponents, and placed 3<sup>rd</sup> at the Leroy Tournament. With off-season work, he might challenge for a varsity position next season.

**Pete Reynolds**  
**152, Freshman**

JV Record: 3-8

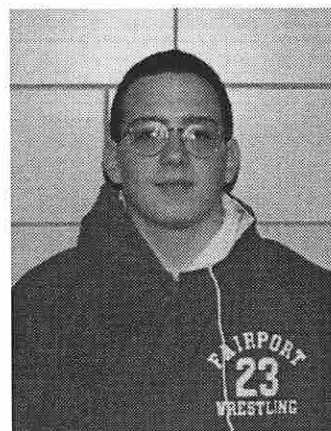

Pete wrestled early in the season at 152 and 160 lb. weight classes. He was hampered by recurring injuries throughout the season. We look forward to Pete wrestling in the 160/171 weight classes next year.

**Dan Szweda**  
**160, Freshman**

Varsity Record: 0-1

JV Record: 5-15

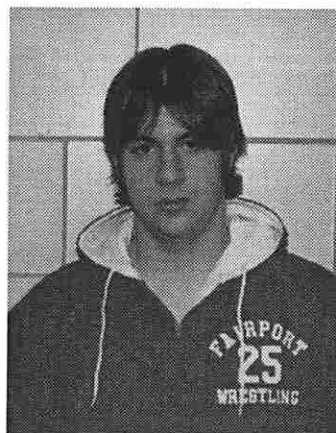

Dan was the wrestler Coach Dawes depended on to fill the heavier weight classes, exhibitions, and even forfeits. Dan was always ready to give it 100% for our team. Next year Dan will compete for a full-time position in the 160/171 weight classes.

---

## ***... Red Raiders Wrestling Freshmen***

---

**Joe Briggs**  
**189, Freshman**

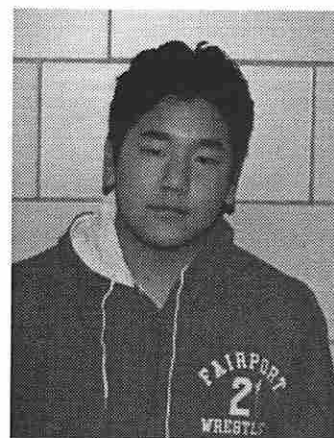

JV Record: 4-2

Joe reinjured his shoulder from a football injury and was not able to wrestle most of the season. Joe was undefeated (4-0) against County East opponents. We hope next year he will be able to compete at the 171 or 189 weight classes for the JV.

**Matt Winkler**  
**189, Freshman**

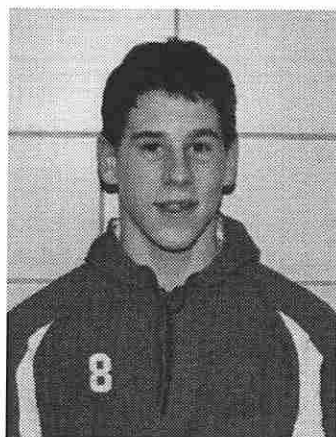

JV Record: 13-8

Matt finished second in team points for the JV team this year, and went undefeated (6-0) in league matches. With Matt's football background and wrestling determination, he will be one of our best heavyweights in the future. We are looking forward to seeing many exciting matches next year at either 171 or 189. Matt---no vacations during wrestling season next year!-"Thanks"-

## ***Red Raiders Wrestling 8<sup>th</sup> Grader***

---

**Joe Fingler**  
**145, 8<sup>th</sup> Grade**

Varsity Record: 5-13

JV Record: 3-4

Joe started at 145 as an eighth grader. His record may not show it, but Joe had a great season. He won the first match of his young varsity career 13-8 against Irondequoit to help the team to an opening day victory. Every match he wrestled was close even against the best in his weight class. Joe is a stand-up kid on and off the mat. With four years remaining, well, look out!!

## The Match is Life ...

This is your match, son. I hope you win.  
Because winning is nice.

It's a good feeling.  
Like the whole world is yours.  
But it passes. And what lasts is what you've learned.

And what you learn, is about life.  
That's what sports is about, life.  
The whole thing is played out on the mat.  
The happiness of life. The miseries. The joys. The heartbreaks.

There's no telling what'll turn up.  
There's no telling how you'll do.  
You might be a hero, or you might not. There's just no telling.  
Too much depends on chance. On how the "match goes."

You do your best. You take what comes.  
You take what comes and run with it.

Winning is fun. Sure.  
But winning is not the point.

Wanting to win is the point.  
Not giving up is the point.  
Never being satisfied with what you've done is the point.  
Never letting up is the point.  
Never letting anyone down is the point.

Play to win. Sure.  
But lose like a champion.  
Because it's not winning that counts. What counts is trying.

who *believe* they can.**
