Team scoring will be determined by the Official High School Wrestling Rules of the National Federation.

1st - 14 pts.

+2 pts. - falls, forfeits, defaults,
or disqualifications

2nd - 10

+1 pt. - superior decisions

+2 pts. - advancement in winners' bracket

+1 pt. - advancement in losers' bracket

Here is an example of the bracket and how it is scored:

Pig Tail RD Prelim RD Semi RD Finals

- The pigtail losers will be paired up to give them at least 2 matches in the tournament. They can only score pin points, etc. for the team.
- All consolation matches will be 1-2-2 in length.

General Information

There will be three mats used to speed things up. Two mats will be used for the consolations and finals.

There is only one restaurant in Pavilion, and it closes at noon. For this reason, we strongly encourage each team to use our wrestling club's refreshment stand.

Pavilion, NY, is located on the corner of Routes 63 and 19. The school is ½ mile up the hill on Route 63, south, and on the right. Park way in the back, past the bus garage.

Due to the big lack of locker space, I am requesting that coaches make sure that their wrestlers double or triple in one locker. Please provide your own lock and towel. We are not responsible for any lost items. Do not bring any valuables.

There will be coffee and donuts for coaches and officials in the morning.

Please call in your varsity line-up so I can have the programs made up. Please call as soon as possible.

All coaches are to act as supervisors. Please patrol your locker room to prevent any vandalism.

If your team wrestles the night before the tournament, please give me a call. We will all receive an extra pound.

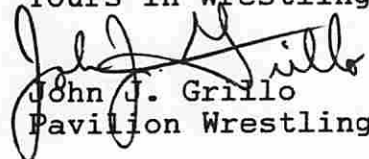

Please plan on being at Pavilion early enough so that we can start on time. Plan for bad weather conditions.

If there are any problems, please call me. Good luck and have a fine season. Best times to call me:

Suggestions for 1990:

- leave Alhambra at 6:30 am
- arrive at P.C.S. by 7:15 am

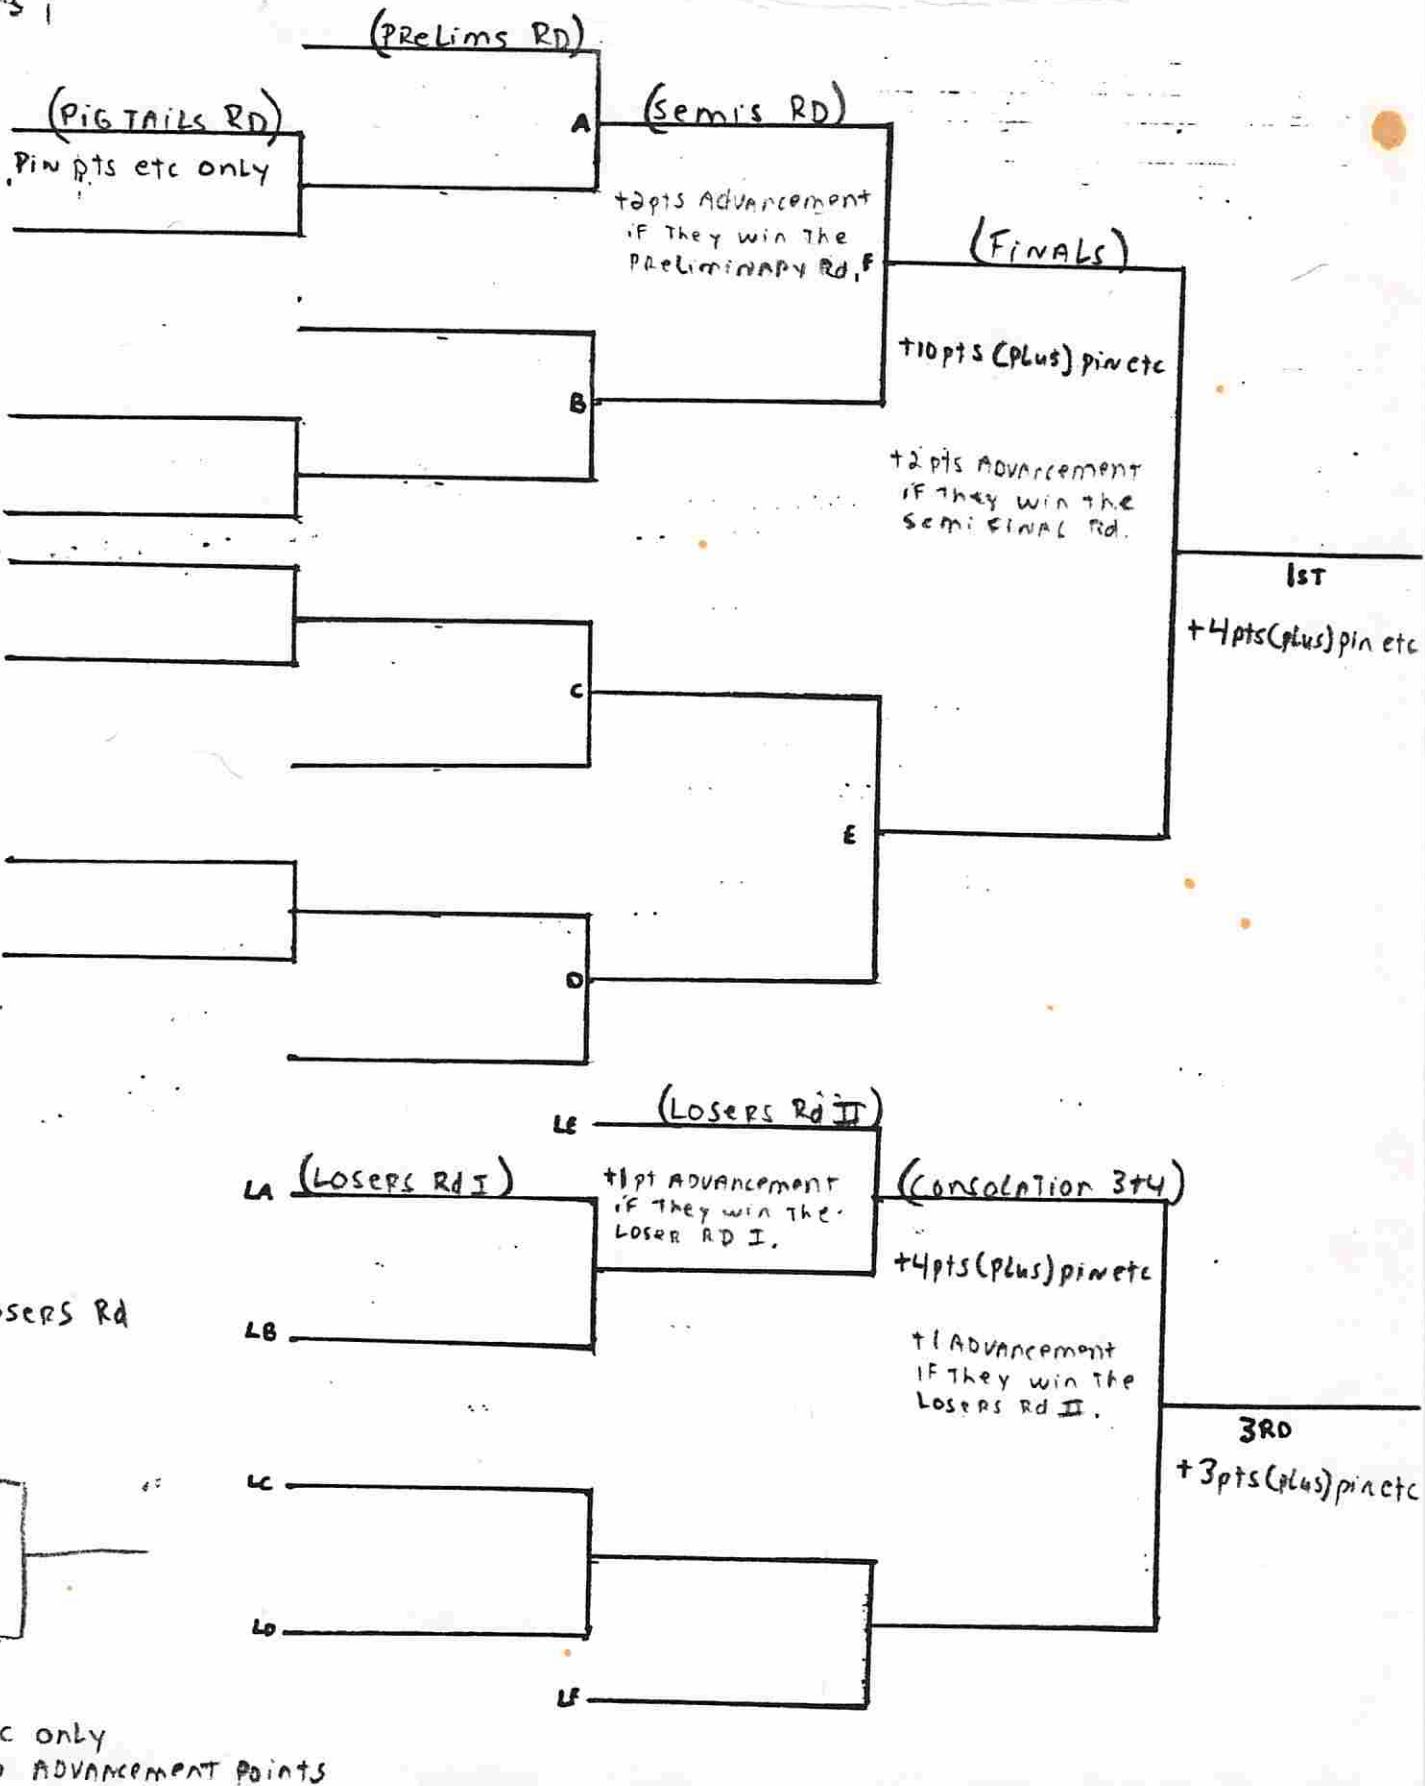

1. Bring in small plastic bags for ice or snow
2. Definitely have ice in an igloo
3. Pig tail losses only waste once. Pair up and get everyone two matches. (Some pairs only) Do not set up a pig tail losses basket
(make the determination after weigh-ins)
4. Set up 1st + 2nd choice for M.V.P. - add this to the old sheet - redo the old sheet
5. At weigh-ins - just check the box - do not write the full name in. Take to much time
6. use two scales if possible
7. use more side mats against the bleachers
8. Name tags or pins for coaches
9. Ask hand baskets to play during break
- 10.
