In Memory of Shawn Beach

Shawn Beach was a Fairport wrestler for six seasons from 1996-2003. Riding his bike home from work on Sunday, February 19th, as he often did, Shawn was struck by a car entering the I-590 North ramp on Route 31 in Brighton. The twenty year old would later pass away that night.

This tragic event left a huge hole in the hearts of family, friends and those of us who were lucky enough to know him in the Fairport Wrestling family. We can only believe that Shawn has moved on to a better place. There can be no other explanation for the horrifying event that took place that Sunday afternoon.

As I entered the memorial service for the former Fairport Red Raider All Star and exemplary Pete Logan award winner, I was unprepared for what the service would bring. Awkwardly sitting in the pew with thoughts of empathy for the family the song *Time of Your Life*, by Green Day played before the ceremony. I fought hard to hold back my tears. I could only think what an appropriate song for such a stand up young man. Shawn always seemed to be having the time of his life. As the service continued, I found it odd that in as friends and loved ones shared memories and stories about Shawn, I could only smile. It was almost as if Shawn was sitting next to me with this unmistakable smile that radiated into my heart. With every story I could picture his smile and laugh. Emotional as it was I felt that he would have rather we remembered the happiness he provided us all. His personality was dynamic. Shawn was one who brought laughter, kindness, charisma, and love with him where every his bike would take him. In the short twenty years he spent here with us Shawn lived life to the fullest.

As a wrestler, Shawn was tenacious, attacking opponents as he attacked life. Not blessed with the best natural athletic ability, Shawn made the most of his opportunities. In a big match, was not uncommon to see him growl and chase after his opponent with a win-at-all-costs mentality. As a teammate and an ambassador of the sport, Shawn brought an equal amount of passion and energy. He was a loyal teammate who would do anything for anyone. As an opponent Shawn always wanted to take the time to get to know who he had wrestled. His quirky personality brought smiles to everyone's faces. Shawn took great pride in being Fairport Red Raider wrestler.

As the service began, I saw former wrestlers, parents, and coaches file in to pay their final respects. I was overwhelmed by the representation of our community. Again I had to fight back the tears; this time tears of pride. What I appreciated most about wrestling is the friendships I have acquired over the years. I can only hope that I have and will continue to foster within my athletes a sense of pride and togetherness that my coaches and teammates have given me. I have great pride in having been a Fairport Red Raider wrestler and now head coach of our program. The attendance at the Memorial Service in my eyes was a testament to the bonds formed in our program.

On a daily basis, Shawn Beach demonstrated a deep and sincere love for wrestling and his teammates. Whether it was at practice, a match, or other any other event Shawn always took great pride in what he did. You could always count on Shawn to work hard on the mat, laugh harder off the mat, and bring joy to the lives of everyone around him. It is for this reason that I would like to create a new award this year in honor of this young man: The Shawn Beach Teammate of the Year Award. This award will be given to a Varsity wrestler that on a daily basis demonstrates hard work, determination, kindness, support and laughter throughout the season.

A MESSAGE FROM COACH KOHL...

The coaching staff knew that this year was going to be special. After attending the Cornell University Team Camp 30 boys (15 of which were freshman or younger) we knew that the new group of freshman would bring new life and fire into our room. Our youth gained valuable experience this season. Eleven freshmen saw time on varsity mats, while 6 sophomores were main stays in our line-up. In fact, just 2 juniors and 3 to 5 seniors wrestled in our line up at any given time. Our team was young and inexperienced, but we had a great combination of strong leadership and youthful exuberance that created a very exciting year.

As a matter of fact, I would have to say that *"Excitement"* was the word of the season. Nothing about this year was ever dull. Everything we did this year brought excitement. Six of our thirteen dual meets came down to the last bout, ensuring me of at least six heart attacks this year. Even our second to last match of the year featured Sean Sechrist narrowly missing an opportunity of knocking off Jason Lyons from Geneva in the semifinals of the Super Sectionals in a barn burner. That was the story of our season. I have not seen a gym so full of energy and life during a Fairport match like we saw at both the Pal Mac and Rush Henrietta matches this season in years. Excitement filled the air. Our Red Raiders fought hard and fought with pride. Win or lose, they left the mat knowing that they gave their all. This was emphasized by five dual meet victories in a long, hard fought day at the Irondequoit tournament. Twenty-one wrestlers contributed to our 1st place finish. Without the tenacity and fire displayed by our team we would not have been recognized by the New York States Sportswriters Association as the 33rd ranked team in High School Dual Meet Ranking. People are starting to take notice of Fairport Wrestling once again.

Our upperclassmen, especially our captains, molded our team into a tight unit focused on togetherness and support. They set high goals and expectations for themselves and the team forming a path for the underclassmen to follow their lead. It was evident as the "excitement" built during the season so did the unity between the athletes. I was especially impressed the way the team bonded on our first overnight tournament in many years. The Oswego tournament proved to bring our whole community together, and we will continue that tradition.

What I am most proud of with this group of athletes is their drive and determination. Our athletes are not only great wrestlers, but they are successful in other sports, in the classroom, and in our community. Most importantly they are dependable, honest young men. These traits do not just suddenly appear. They are a tribute to the great families we have in our wrestling community. From carpooling to supporting the booster club and much more, your constant efforts support and efforts do not go unnoticed. Together we hosted an incredible Super Sectional Tournament. Thank you Booster club and parent volunteers who worked hard with the concessions and thank you to our boy's who worked hard setting up and running the tournament. Our program drew many complements emphasizing what a class act we are.

We started our season reading an article about a janitor, William "Bill" Crawford. I feel it is only appropriate to refer back to it as we conclude our season. One of the main messages of the article was to pursue excellence; not glory. While moving forward throughout our season, I was thoroughly impressed with our athletes by the way they spent the time improving on the minor details of the sport. Individual athletes accomplished many of their goals this season and have already reset new goals for both this coming off-season and our next season. As we work hard to prepare for the future remember to embrace your goals and focus your energy towards them. Accomplishments are a direct result of hard work and dedication. Pursue excellence and glory will follow.

Sincerely,
Coach Kohl

Once a Raider, Always a Raider

2005-2006 RED RAIDER VARSITY AND JUNIOR VARSITY COACHES

Mike Kohl (Varsity Head Coach)

Todd Forkey (Asst. Varsity Coach)

Mike Barker (JV Head Coach)

Josh Lenhard (Asst. JV Coach)

Varsity Manager: **Chelsea Maxwell**

Chelsea was a fantastic new addition this year, especially when she brought her "A game". Throughout the year Chelsea proved to be extremely reliable. Chelsea took great pride in her work and I have to thank her for her excellent job keeping score, records, and the boys in line. We are very excited to have you back again next year.

JV Manager: **Kathryn Sweet**

Kathryn was a tremendous help to the Fairport Wrestling Program this year. She helped the Varsity, JV's and the Johanna Perrin Wrestling Teams this year. She kept score, did paperwork, and helped run scorers tables throughout the year. She was instrumental in our program's success this year.

*A special THANK YOU goes to **Bob Barker** for all of his expert scorekeeping and his tremendous support for the Junior Varsity Team again this year!*

INTRODUCING THE 2005-2006 RED RAIDER SENIOR WRESTLERS

Mitch Costa, Jason Benza, Mark Harstad, Connor Joyce,
Nick Caligiuri, Sean Sechrist, Dusty Lotz

Seniors,

I would like to say thank you to all our seniors. I appreciate the time and commitment you have shown over the years. This group has continued to promote togetherness. You have shown the ability to unite the entire team, even the freshman. Hopefully some day you will realize that all you have given to this sport you get back in return. I see in each of you the ability to set goals, work hard toward those goals, and accomplish them. I wish you all the best in whatever you choose to do in life. You have shined on and off the mat; last year's NYS Scholastic Honor Roll emphasized that. I look forward to hearing of your future successes. I am proud to have coached you and remember that you will always be welcome in our wrestling room...

ONCE A RAIDER, ALWAYS A RAIDER!

INTRODUCING THE 2005-2006 RED RAIDER SENIOR WRESTLERS

When it began I was at the bottom of the mountain,
I just began climbing,
Hoping to reach the top.

Through all the sweat and blood and aches and pains
I began to hate it.
Every year I returned and worked hard 'til the end.
And after every season I never regretted one moment.

Now it is my last year and I have gone through many hardships.
It is so near to the end that I can see the light at the top of the
mountain.

Soon I will see all the people and lessons I learned.

I have no regrets and for that I am proud.
I can look myself in the mirror,
And see someone stronger and better than when I started.

THE RED RAIDER SENIOR WRESTLERS

160-171 12th Grade Season 6-4 Career 13-25

Jason Benza

Jason struggled all year with back problems but managed to be there for the team when we needed him most. Weighing in at 160 this year provided our team with important options and allowed us to win some very important duals. Sometimes the little things go unnoticed, but Jason's dedication to the program for the last 6 years has not. Good luck next year, Jason.

"Never give up when it's hard and you will be successful. Your coaches push you for that reason."

171-189 12th Grade Season 29-15 Career 47-36

Nick has been a true leader and anchor for the team this year. Coming off a season ending shoulder injury followed by surgery, no one knew what to expect from him. Nick showed early that he would be a force to be reckoned with all season. We leaned on him heavily for leadership as well as production. Nick came through huge with many big wins and pins for the team this year. I was not surprised he led the team with 17 pins. Nick's leadership and determination will take him far in life.

Nick Caligiuri
(Captain)

"You will be as good as you believe yourself to be. Work hard and never give up on yourself."

112-119 12th Grade Season 16-8 Career 16-12

Mitch Costa

Mitch is an explosive wrestler with a unique blend of power and speed. In his first full year on the varsity, Mitch showed that he was ready to make the transition. The highlight of his season was a 4th place finish at the Hilton Tournament before suffering a season ending injury. Unfortunately there were many wrestlers at the Super Sectionals at his weight that he had beaten before. Good luck in the future.

"I firmly believe that any man's finest hour, the greatest fulfillment of all that we hold dear, is the moment when he has worked his heart out in a good cause and lies exhausted on the field of battle...victorious. (Vince Lombardi)"

THE RED RAIDER SENIOR WRESTLERS

Mark Harstad

189 12th grade

Season 2-12

Career 10-36

Mark is an athlete that has worked hard throughout his career. Making the decision to lose weight and fill the hole in our line-up at 189 was a huge decision for the team. Mark has been a main stay at the upper weights for our team the last few years. We will miss him. Good luck next year.

"Stick together as a team and you will be successful."

275 12th grade

Season 3-2

Career 3-2

Connor made the courageous choice to come out for the first time as a senior. Connor worked hard throughout the season and made the most of his one opportunity to wrestle in a tournament by placing 7th at the Oswego tournament. Connor is such a great athlete, if he only would have had more time to learn wrestling he would have truly had an opportunity to show what he was capable of accomplishing in this sport. We will miss the humor and light heartedness you brought to the team this year.

Connor Joyce

"Work hard and keep at it because in the end it always pays off."

Dusty Lotz
(Captain)

130-140

12th grade

Season 24-14

Career 68-51

Dusty Lotz is a hard nosed athlete who plain old loves to wrestle. His work ethic and tenacity will be missed in the practice room next year. Throughout the season Dusty was often called upon to wrestle up a weight or against the other team's best middle weight. He always rose to the challenge. He had a huge win in our upset of State Ranked Pal-Mac by beating a Section Five state representative in the first match. I know that Dusty will bring this same level of intensity in whatever he does. Good luck.

"Never give up in life no matter how bad you feel.."

THE RED RAIDER SENIOR WRESTLERS (CONT.)

160-171 12th Grade Season 40-6 Career 99-34

Sean has been an anchor in the line-up for the last three years. This strong, silent type provided a constant reminder to the rest of the team what hard work and dedication means and the success it brings. Sean won the Oswego tournament this year as well as placed in every other tournament we wrestled in. His 3rd place finish at the Super Sectionals is the highest finish of any Fairport Wrestler in 4 years. Congratulations. We know with the values you have demonstrated through our program in the last 6 years, you will be a champion in life as well as wrestling.

Sean Sechrst
(Captain)

"Give 100% all the time and always looking to improve will get you where you want to be. This sport is mostly mental. Be tough."

A Wrestler's Biggest Fan

That's my little boy
Mat two...
He's on deck
He's the one who tries to look so confident...
While I sit watching nervously
Biting my nails and shaking in my seat
Praying for a victory and not a quick defeat
Please don't let him be hurt
Please let him be all right
After all this is why he practices so hard
Almost every night...
I'll just suffer through it and give him my support
Wondering why sometimes, he ever chose this sport
But when it's finally over and he makes it through "the three"
Nothing can beat the look on his face
The look of VICTORY!!!
The look that says, "I did it, hey mom did you see?"
And when the ref holds up his hand
I know why he chose this sport
And when the victory goes the other way
I still give him my support
"There's always next time as long as you try", A mom never fails to say
"You're always a champion in my eyes son, and you'll always be that way"
A mom is a wrestler's biggest fan
Because she knows what's in his heart
She knows his dedication and how he tries so hard...
It's hard for a mom to sit and watch
As her son gets pinned
And it's hard not to get emotional as you watch your baby win
Seeing his eyes search for you while you're sitting in the stands
Making sure you saw every move turn out just the way he planned
Because every wrestler knows
That his mom is his biggest fan!!!

INTRODUCING THE REST OF THE 2005-2006 RED RAIDER VARSITY TEAM...

Dean Elvin

103 9th Grade

Season 21-18

Career

21-18

Dean had a great first season on the varsity. He placed in 3 tournaments this season and was an anchor to the bottom of our line-up. Dean had a few huge wins this year in our dual meets. Without his win over Nate Smith of Hilton at the Irondequoit tournament, we would not have won the tournament.

103 9th Grade JV 27-2 Varsity 6-5 Career 6-5

Jeff had an outstanding freshmen year. He won two JV tournaments, took 2nd at JV Counties, placed 6th in the Oswego Tournament, and recorded a huge pin in our dual meet with Irondequoit. However, what impressed us the most is the determination and work ethic that Jeff demonstrates on a daily basis. Expect big things next year from the Most Valuable Wrestler on the JV this season.

Jeff Slabe

Mike Lehmann

112-119 9th Grade JV 13-4 Varsity 8-9 Career 8-9

Mike is a very physical, hard nosed wrestler who truly hates to lose. He started the season with an impressive 1st place finish at the Midlakes JV Tournament that definitely drew attention to him. Mike proved to be ready to fill in at the Varsity level by recording big wins for the Varsity down the stretch. One of those wins was a guillotine pin during the Cortland Dual. Mike will be a force to reckon with next year.

119

10th Grade Season 11-24 Career 11-24

Jake is one of the hardest working athletes on our team. All of his teammates fight to drill with him because they respect how hard he works. Jake brings his best effort on a daily basis. After gaining valuable Varsity experience and a deadly high-crotch, I am sure that Jake will be a force to reckon with next season. Keep working on offense.

Jake Husted

THE 2005-2006 RED RAIDER VARSITY TEAM (CONT.)

Seth Elvin

130-135 10th grade Season 31-14 Career 71-46

Seth is like a shark. When he smells blood, he attacks, and it usually results in a big pin. He finished the season with the second most pins and wins on our team. Both athletes with more wins and pins will be graduating this year so we will look to Seth to continue to produce at this high level. Seth capped off his impressive season with a 3rd place finish at the Sectional Tournament which qualified him to compete at the Super Sectionals for the first time. At the pace Seth is going at, he will shatter the Fairport record for Varsity wins.

130-140 10th grade Season 16-14 Career 16-14

Gage is a hard working, determined athlete. No one worked harder in the off-season to prepare himself for this last year. It showed as he started the year by placing 6th at a very tough Webster Tournament. Wrestling at three different weights this season, Gage showed his flexibility and dedication to the team. We expect huge things from this determined athlete next season.

Gage Banker

Sean O'Dell

140-145 10th grade Season 23-18 Career 23-18

Sean had a great sophomore year. With a great blend of speed and power Sean is able to compete with anyone. One match that sticks out in my head is a 1 point victory at Pal-Mac that set the tone for the match. Without that must win we would have not had a chance to upset Pal Mac in the dual. After a 6th place finish at the Monroe County Tournament Sean proved that he can wrestle with anyone in the county on any given day.

140-145 9th grade JV 14-7 Varsity 7-12 Career 7-12

Our first JV county champion since Sean Sechrist, Dave truly peaked at the right time of the year. Dave is a tenacious competitor that simply hates to lose. After winning a Varsity wrestle off after the New Year, Dave stepped up his level of intensity and sent a message to the rest of the teams in the area. His unique style of wrestling, combined with power and speed have set Dave up for a great future in wrestling.

Dave Foley

THE 2005-2006 RED RAIDER VARSITY TEAM (CONT.)

Steve McGinn

152 11th grade

Season 26-21

Career 33-33

Nothing with Steve is dull. Every match, whether it was at a dual meet or tournament, was full of excitement. Steve's all out effort and straight forward style had us all on the edge of our seats this year. With constant improvement, Steve finished the year 5th in the Sectionals and looks to improve upon that finish next year. Next year will prove to be Steve's best yet. Watch out for this soon to be Senior.

Injured

11th Grade

Season 0-0

Career 3-2

John spent a ton of time preparing for this season. Unfortunately, John did not get an opportunity to show his growth this last season. However, I am confident that John will be a leader and a productive senior next year. His humor and presence were important to our success.

John Alessi-Corey

Steve Pittinaro

215 11th Grade

Season 28-17

Career 42-35

Steve decided about half way through the year he was ready to compete at the next level. Without holding back or figuring out the final score before he stepped on the mat, Steve became more physical, using the athleticism he possesses. Steve placed in our last 4 tournaments this year as well as won the Hilton tournament. Next year we will be counting on Steve to continue to provide big wins and intensity for our team.

275 10th Grade

Season 9-16

Career 9-16

Steve is a great athlete for the 275 pound weight class. He had a solid first season on the varsity this year, highlighted by, a 3rd place finish at the Hilton tournament. Steve's strength is mat wrestling. He has a nasty cross wrist series on top and a solid stand-up. Once we get Steve a few takedowns he feels confident with, he will be tough to handle. Steve will be a huge part of our line-up next year.

Steve Rodman

JOHANNA PERRIN MODIFIED YEAR IN REVIEW

Coach Dawes and Coach Plant want to congratulate the J.P. wrestling team on their fine 8-2 record for the 2005-2006 season. The team consisted of eleven 8th graders and five 7th graders. J.P. had only four returning starters from the previous season - Justin Plant, Nico Prosser, Brian Sechrist and Trevor Owens. Highlights of the season included close exciting wins over Hilton and Penfield. Jesus Suarez finished the dual meet season undefeated. Furthermore, losses to Brockport and Spencerport at mid-season helped the team establish a better work ethic for the final four matches of the season.

Also a number of our wrestlers participated in open tournaments at Pal-Mac and Canandaigua this season. The participants learned that tournament wrestling is a totally different experience than dual meets. Hopefully, these tournament experiences will better prepare these young wrestlers for the J.V. level. The wrestling season can continue all year long if a wrestler wants to gain advantage over his opponents for the following season - especially in participating in open tournaments, clinics, and wrestling clubs.

In conclusion, Coach Plant and I would like to congratulate the other coaches and their wrestlers on another successful season. I also want to thank our two 6th grade managers - Jake Friedman and Zack Haller, along with our team score keeper, Kathryn Sweet. We would also like to thank the Booster Club and all of our parents on their positive support of our student-athletes throughout the season.

MARTHA BROWN MODIFIED YEAR IN REVIEW

The 2006 wrestling season ended as a great success. The Martha Brown wrestling team was made up of 23 young men who worked hard, were dedicated, and were fun to be around.

At the outset of the season, I knew that there was going to be a lot of work to be done, however, getting to know the boys it was clear that they had the desire to learn which made the work a lot easier. Starting with a "drop step" and working our way up to cross face cradles was an endeavor that presented individual obstacles, however, were overcome by hard work and a commitment to improve. As each week passed, each wrestler improved and confidence began to prevail. During practices, questions were frequently asked indicating a desire to learn.

The overall growth and improvement of the team is in the numbers. Our season ended with a record of 3-6-1. The record does indicate a losing record, nonetheless, overshadowed by the big picture. In 10 matches there were a total of 228 individual matches. Of the 228 individual matches, we won 100 of them. In other words, we won 45% of our matches. For a group of young men who never knew what a "whizzer" was from a "stand up", they were quick learners and hopefully enjoyed themselves while doing so.

The season would not have been as great a success if it weren't for the support from the parents. Your unwavering support proved to be the catalyst in the development of the team as a whole. Our team could always depend on the fact that they were going to have a strong support system regardless of the opposing team.

I look forward to next season and working with all of the returning seventh graders who are looking to build off of the hard work that they have put in.
