## A MESSAGE FROM COACH KOHL...

---

We were fortunate enough this year to have a guest speaker at Fairport High School, Kyle Maynard. Kyle is a successful wrestler who has no arms and no legs. Both joints stop at the knees and elbows. He spoke in our high school gymnasium in front of a speechless crowd. His message was strong; one that I don't think any of us will forget. Our boys took many of the things he said to heart. Here are a few of his convictions that he shared.

- *"If you can succeed at the sport of wrestling, you can succeed at anything. It is the hardest thing I have ever done."*
- *"If you set high goals and are willing to dedicate yourself to accomplishing them, you can do anything you set your mind to."*
- *"If it was not for my father, who made me learn to succeed on my own I would not be the man I am today."*
- *"It is not what I can do it is what I will do. No excuses."*

Kyle Maynard left a lasting impression on us all. Let's not forget his message.

Wrestling is considered by many as an individual sport because of the one on one competition. However, in many ways, wrestlers rely more on their teammates than outsiders will ever understand. The best teams truly enjoy the company of each other. These boys get that concept and excel at it.

To me this season will always represent a season of growth within the Fairport Wrestling Program. Our overall record will never show the commitment and unity that this group of young men had for one another. Throughout the season I watched different individuals all find their place on this team. Our captains showed incredible leadership in helping to provide opportunities for the boys to get together and have fun outside of the sport. I know that all of you have formed bonds and connections this season that will in many cases carry over to next year and for many of you on for a lifetime.

In retrospect I have to say that I am proud of the way we finished the season. Many of our wrestlers truly saved your best for last. Three varsity wrestlers advanced to the Super Sectionals while three others placed in the sectional tournament. In addition, eight wrestlers found the podium at the JV counties. All but three of those wrestlers will return to our team next year to help form a solid base from which to work with.

A special congratulation goes out to the Varsity Wrestling Team. This season, our boys were recognized by the NYSPHAA for achieving academic honor roll. This is a tribute to how hard working this group. What an excellent accomplishment!

Wrestlers and families, thank you for a great season. I hope that we can continue to work together and form many long lasting memories together. As this year comes to a conclusion and we say goodbye to the wrestlers and families that will be moving on, remember that to the rest of us falls the job of shaping the future. I remind us of this. *It is not what we can do, it is what we will do.*

**Thanks for all of your support,  
Coach Kohl**

# INTRODUCING THE 2004-2005 RED RAIDER SENIOR WRESTLERS

---

**Tom Gavvert**

**Jack Hereford**

**Jeff Kohl**

**Mike McGinn**

**Mike O'Connor**

**Eric Dast**

Seniors,  
This year as a group you provided strong leadership. I appreciate all that you have done for the Fairport wrestling program and me. I hope that through your adventure of life you find many successes. As you reflect back on your time as a Red-Raider wrestler hopefully you will remember the values and friendships that you have acquired. Next year will not be the same with out you. Always know that you will be a part of Fairport Wrestling and we look forward to your return.

## INTRODUCING THE 2004-2005 RED RAIDER SENIOR WRESTLERS

---

*When it began I was at the bottom of the mountain,  
I just began climbing,  
Hoping to reach the top.*

*Through all the sweat and blood and aches and pains  
I began to hate it.*

*Every year I returned and worked hard 'til the end.  
And after every season I never regretted one moment.*

*Now it is my last year and I have gone through many hardships.  
It is so near to the end that I can see the light at the top of the mountain.  
Soon I will see all the people and lessons I learned.*

*I have no regrets and for that I am proud.  
I can look myself in the mirror,  
And see someone stronger and better than when I started.*

# THE RED RAIDER SENIOR WRESTLERS

---

**Tom Gayvert**  
(Captain)

*"Stay close, and together you can overcome adversity."*

275

12<sup>th</sup> Grade

Season 9-7

Career 34-34

Tom worked hard this year both on and off the mat. Tom has always over achieved coaches' expectations in many ways. As a captain, he provided more leadership than could have been asked for. Tom completed an excellent career by advancing to the Super-Sectionals and losing a heart breaker. Watching Tom go from a seventh grade in my math class who could hardly tie his shoes, to the man that he has become now blows me away. Tom is a perfect example of how much the sport of wrestling can do for a young man.

152-160-171

12th Grade

Season 1-6

Career 1-18

Jack is the type of guy everyone on the team loves. Jack brings enthusiasm, humor, and intensity to practice everyday. Jack is always a team first, himself second, type of guy. He wrestled anywhere in the lineup that he could get a match.

**Jack Hereford**

*"You only have so many years in high school, don't hold anything back."*

**Jeff Kohl**  
(Captain)

*"Make the best of the years you have in High School because it goes by fast!"*

125

12th Grade

Season 7-7

Career 24-29

One of our tri-captains, Jeff provided important leadership throughout his entire wrestling career. Jeff has always provided humor and guidance to teammates when necessary. An early season-ending injury at the Penfield Tournament cut Jeff's season short, but he continued to excel in his role as a leader. It is not easy to stay committed to the team when you know that your season is over. Jeff's dedication towards the team was appreciated, and great work with the video camera.

---

# THE RED RAIDER SENIOR WRESTLERS

---

**Mike McGinn**

*"Wrestling is like no other sport. Hard work and dedication can overcome ability or talent. Although your hard work may not show on the mat, it will show up in your character and ethics."*

---

**140-145 12th Grade Season 16-15 Career 18-20**

After missing almost all of last year and starting the season with the "bonehead move" of punching the wrestling mat and breaking his hand, Mike began to find success. Mike is a student of the sport of wrestling. He takes pride in himself and is consistently looking for ways to improve. Mike sets important goals for himself and works extremely hard towards them. It is this quality that I admire most in Mike and know that it will lead him to success in life.

**130 12th Grade Season 10-10 Career 24-38**

Mike returned to the lineup after Christmas and filled the gap of the 130lb weight class for the team. He provided the team with a few key wins in dual meets. Mike has always been an exciting wrestler who can win any match at anytime. As both a team mate and a friend, Mike brings a light-hearted attitude and humor that makes him fun to be around.

**Mike O'Connor**

*"Wrestling is hard work, but stay with it!"*

---

**Eric Rast**

**(Captain)**

*"Live life to the fullest and enjoy life.."*

**145 12th Grade Season 15-11 Career 36-39**

Eric has been a leader on this team for two seasons. He has had the ability to bring the team together and bond both on and off the mat. He will always be known for his bone-crushing bear hug. When he gets a hold of an opponent, watch out. Many have buckled right to their backs. There was no surprise that he led the team in pins. My only concern for next year is that I am afraid both you and Coach Forkey will miss each other in a weird way that no one else understands.

## A Wrestler's Biggest Fan

That's my little boy  
Mat two...  
He's on deck  
He's the one who tries to look so confident...  
While I sit watching nervously  
Biting my nails and shaking in my seat  
Praying for a victory and not a quick defeat  
Please don't let him be hurt  
Please let him be all right  
After all this is why he practices so hard  
Almost every night...  
I'll just suffer through it and give him my support  
Wondering why sometimes, he ever chose this sport  
But when it's finally over and he makes it through "the three"  
Nothing can beat the look on his face  
The look of VICTORY!!!  
The look that says, "I did it, hey mom did you see?"  
And when the ref holds up his hand  
I know why he chose this sport  
And when the victory goes the other way  
I still give him my support  
"There's always next time as long as you try", A mom never fails to say  
"You're always a champion in my eyes son, and you'll always be that way"  
A mom is a wrestler's biggest fan  
Because she knows what's in his heart  
She knows his dedication and how he tries so hard...  
It's hard for a mom to sit and watch  
As her son gets pinned  
And it's hard not to get emotional as you watch your baby win  
Seeing his eyes search for you while you're sitting in the stands  
Making sure you saw every move turn out just the way he planned  
Because every wrestler knows  
That his mom is his biggest fan!!!

# INTRODUCING THE REST OF THE 2004-2005 RED RAIDER VARSITY TEAM...

---

**David Barker**

**135**

**11th Grade**

**Season 9-23**

In only his second season on the mat, David battled through a tough weight class. David's consistent effort and hardworking attitude help establish the expectations in the practice room. Dave saved his best tournament for last, placing 6th at the sectional tournament. Dave will be an important part of the line-up next season.

---

**160-171**

**11th Grade**

**Season 7-21**

Jason had the difficult task of wrestling above his weight this season. He showed courage and great fight in many of his matches. With a good off season work out, Jason will be ready to step into the Varsity next season and produce successfully.

**Jason Benza**

**Nick Caligiuri**

---

**160-171 11th Grade Season 15-11 Career 18-21**

Nick was off to a great year. Just when he started to heat up he ran into a shoulder injury that ended his season. Fortunately, Nick gained valuable experience this year and now knows that he can compete with anyone when he has his A-game. Nick will be a key part of the line-up next season.

---

**119**

**11th Grade**

**Season 0-4**

Mitch is a very hard working, focused wrestler. Everyday he comes to practice ready to work hard and improve. He successfully filled in our varsity line-up when we needed him. The highlight of his season was a 2nd Place finish in the JV County tournament. We will look for Mitch to be a solid part of our line-up next year.

**Mitch Costa**

---

# INTRODUCING THE REST OF THE 2004-2005 RED RAIDER VARSITY TEAM

---

**Seth Elvin**

**119-125 9th Grade Season 19 - 16 Career 40 - 32**

Seth finished his second season on the Varsity with a winning record competing at what many coaches felt was the toughest weight class in Section Five. Seth came up with some big wins in dual meets this season. He was also second on the team in pins. Seth will return next year as a sophomore with as much Varsity experience as any other member of our team.

---

**189-215 11th Grade Season 8-24**

From the beginning to the end of the season, Mark might have shown the most improvement on the team. As the season was coming to an end, Mark began to find the intensity needed to be successful at this sport. We will hope to get solid senior leadership from Mark next year.

**Mark Harstad**

---

**125-130 11th Grade Season 21-21 Career 42-37**

**Dusty Lotz**

Dusty had a great second half of the season placing in all of the tournaments we competed at. Dusty's highest placement was a fourth place finish in our county tournament. Dusty continued to improve throughout the year. We will be looking for him to anchor our team next season.

---

## INTRODUCING THE REST OF THE 2004-2005 RED RAIDER VARSITY TEAM

---

**Steve McGinn**

140-145-152-160

10th Grade

Season 7-12

Steve is full of humor and enthusiasm. He brings excitement to everything that he does. In his first varsity match, Steve had a huge pin in our dual meet against Greece Athena. Steve is very athletic and talented. If he decides to focus his attention this off season to wrestling he will see great benefits next season.

189-215

10th Grade

Season 14-18

Steve is one of the best pure athletes on the team. His brawling style and confident attitude gets him many wins. Keep working on your penetration steps this off season; we are almost there. Next year, we should see Steve challenging the best wrestlers in his weight.

**Steve Pittinaro**

**Sean Sechrist**

152-160-171

11th Grade

Season 32-13

Career 59-28

Sean was the most consistent and successful wrestler on the team this year. Sean placed in all but the Penfield tournament this year and always seemed to win a huge match for us in duals. Sean's steady grind and no nonsense attitude anchor our practice room and will continue to provide leadership for next year.

## JOHANNA PERRIN MODIFIED YEAR IN REVIEW

---

Coach Dawes and Coach Plant want to congratulate the JP wrestling team on their fine 9-1 record this season. The team consisted of eight 8<sup>th</sup> graders and ten 7<sup>th</sup> graders. At least half of the matches were decided by ten points or less. The highlight of the season was the exciting 44-43 controversial win over Churchville in mid January. The low point of the season was our only loss to Spencerport, on a night where a few of our wrestlers were sick.

JP participated in two open tournaments during the season - Pittsford and Penfield. All the coaches agreed that this would be a positive new learning experience for most of our wrestlers. JP and MB had between 25 and 30 wrestlers participating in the Penfield Tournament.

Coach Plant and I would like to congratulate the other coaches and their wrestlers in the program on their successful seasons; and Mrs. Barriault (team parent) and the rest of the parents on their positive support of our student athletes throughout the season. Finally, the wrestling season can continue all year long if a wrestler wants to gain advantage over his opponents next season - especially in participating in open tournaments, clinics, or wrestling clubs.

**BEST OF LUCK - Coach Dawes and Coach Plant**

# MARTHA BROWN MODIFIED YEAR IN REVIEW

Martha Brown Modified Wrestling Team completed an outstanding season achieving a great deal of success. This group of boys was dedicated, hard working, and conducted themselves with a great deal of pride.

We opened the season with a victory over Spencerport 39 - 30. There was no better way to start considering that a victory over Spencerport has eluded us for the last six years. Next we traveled to West Irondequoit where we won 42 - 18 and followed this up with a victory over Greece Athena 72 - 15.

We encountered our first loss against a talented Greece Arcadia team 48 - 51. Our second loss came against Brighton with a score of 31 - 60. Looking back at our two losses it was evident that we should have beat Arcadia. We matched up well with them, however, we lacked the intensity we began the season with. Unfortunately, we didn't match up so well with Brighton. We wrestled each match competitively. We just couldn't finish. It was a tough loss but a definite learning experience.

Getting to know this group I knew that they were competitive and would find a way to come together and bounce back from what could have easily been the beginning of a downward spiral. They were inexperienced in their knowledge of wrestling but driven by a sense of camaraderie, athleticism, and pride. The first team to encounter the unrelenting wrath of dominance which was to come was Gates-Chili. We won by a score of 48 - 15. Our next opponent was Webster Willink. We won 69 - 36!! We then traveled to Batavia and won 48 - 39.

Our next match was against East Irondequoit. Due to low numbers on the E. Irondequoit team at the outset of the season, it was seen as appropriate to combine one half of the Penfield team with them due to the fact that Penfield had 59 wrestlers for one team. Therefore, both E. Irondequoit and the one half of the Penfield team were combined to travel together to away matches. First, we wrestled E. Irondequoit. Of the twelve matches scheduled, we won them all (59 - 0). I would have never imaged such an outcome. However, it was fun to watch. I knew that the Penfield team was going to be tougher. They are well coached and inspired by an up and coming program. Needless to say, we won 45 - 18. Besides the overwhelming achievement attained as a team, the wrestler of the match was Patrick Trabold. He wrestled in three separate matches (1 versus E. Irondequoit and 2 versus Penfield) and won all three by pins. It was great to watch. Our last match was against Greece Apollo where we won 78 - 33. What a way to finish the season, 8 - 2!

I would like to take this chance and thank all of the parents for their support throughout the season. It was my pleasure to have had the opportunity to work with your children, along with forging friendships with each and every one of you. Thank you!
