Wrestling is a sport of individuals and one man can win even if the team has not had a really outstanding season. Larry Curtis led the team this year with an 8-1 record. His one loss was to be repeated when Larry reached the finals in the City Championships. Second man on the team was Bud Schaefer with a 7-2 record and five pins. Ron Seyba was third with five pins and a 6-2 record. Bud Schaefer, Ron Seyba, Jim Boomer, and Ernie Giambra went as far as the semi-finals of the city contests.

Other outstanding team members were Joe Sciarabba, Al Davis and LaVerne Dickerson. Only three members of this team are graduating this year so there is promise of an outstanding team next season.
