The Batavia Wrestlers had a tough year in 1995-1996. They were led by senior captains Rick Stewart, Geoff Hilchey, Jaret Brzezniak, and Larry Kitt.

Batavia's lack to fill the weight classes, due to the low numbers, held them back during dual meets. They finished 1-7 in league and 3-8 overall. Rick Stewart led the team this year, breaking many school records. Stewart broke the total wins record after earning his 100th career win. He also became the all-time leader in pins.

Next season the team will have to go through a rebuilding year, returning only six wrestlers with experience. Future leaders of the team should be junior Eric Hilchey, and sophomores Nick Ubaney, Nate Buchholz, and Aaron Long.

Wrestling Cheerleading

This year, the wrestling cheerleaders have accomplished a lot. The squad, captained by senior Jenn Russo and junior Shannon Geary, has had a very memorable season cheering on the BHS grapplers. Spirit was abundant at all wrestling matches, especially when the cheerleaders performed their dance routine to the tune of "Ain't Nothin' But a She Thing." This season has been a great one, and will not soon be forgotten.
