

Excellent season, but winning streak halted

The wrestling squad completed an excellent season this year with an undefeated league record of 12 wins and no losses.

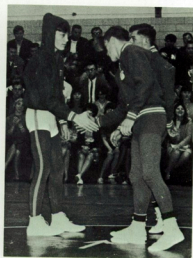

In non-league matches, the team had 13 wins and 1 loss; the only defeat took place at the hands of Attica Central. This loss, the Chiefs' first in ten years, set our national record for consecutive wins at 150 matches.

The team also secured the E.C.I.C. Division III title and placed second in the Section VI (AA) tournament.
