The 82-83 Purple Eagle wrestling team had many firsts for Albion wrestling. This year's team was the first team in Albion wrestling history to win the league championship. They did this by going undefeated in league matches. The Purple Eagles held a perfect record till they met Niagara Wheatfield in the league cross-over match and were narrowly defeated by one point. In dual matches Albion impressively outscored their opponents 564-137. Captains John Shell and Bill Swan provided the team with a lot of leadership throughout the entire season.
