The 1994-95 Wrestling team's record is 8-3, which puts us in second place in Div. 2. The team placed in the top ten out of 32 teams at the Southwestern Tier Wrestling Official tournament, and took third place trophy at the Franklinville tournament. The team has three 7th grade boys starting on the varsity team: Pat Dove, Jeremiah Dirt, and Bill Prince. Jeremiah and Bill both have over 500 records this year. Captain Walt Stanton has already recorded 25 victories and could easily reach 30 wins. Chris Gray has 20 victories and should also up his record. Steve McKinsey and Andy Galbreath both should reach 20 wins this year. To record 20 wins in one season is quite an accomplishment at the varsity

level. We have had at least 6 boys place in the top four of every tournament we have been in this year. Tim Prince, head coach, is very pleased with the boy's wrestling and our team standing in Div. 2, and the tournaments we've been in. Both coach Prince and coach Dove are looking forward to finishing the season strong and going to the state qualifiers with as many boys as we can. The future looks bright next year for F. C. S. Wrestling, but we need more boys to come and give wrestling a try. Wrestling is a good gauge to see what you're really made of. It's one on one - just you and your opponent!!
