Outstanding Wrestler

Ethan Bosch (Section 6)

The State Wrestling Committee met on May 7, 1988 at Shaker Junior High. The committee approved the following recommendations:

1. The 5 bouts in one day will go back to the Safety Committee again. At their last meeting two members were not present and it was defeated by a narrow margin.
2. Reemphasize that scales should be certified annually.
3. Request that sections be allowed to continue the experiment with the coin toss to determine which team puts their wrestler on the mat first.
4. The weight classes will remain the same as past years.
5. We will retain the growth allowance.
6. The technical fall will still score 6 team points, the same as a fall.
