REVISED SELECTION/CLASSIFICATION SCREENING PROCEDURE

MODIFIED PROGRAM PLACEMENT

The State Education Department's Regulations for the Selection/Classification Program now include Modified Program placement criteria. The Modified Program structure (grades 7,8,9) is only recognized by the NYSPHSAA, Inc.

Students below the required ages for Modified Programs in Football and boys' lacrosse are eligible to be elevated through the Selection/Classification procedures for placement.

The procedures established by the Regulations of the Commissioner of Education and the State Education Department shall be followed.

Placement in the Modified Program shall be based on the maturation and physical fitness standards established by the NYSPHSAA, Inc.

Pupils must achieve the raw scores for each physical fitness test required. Students not meeting the requirements may participate only with the approval of the NYSPHSAA, Inc.

If a student does not achieve the standards required for placement in the Modified Program and the director believes there is cause for special approval, the NYSPHSAA, Inc. should be contacted to initiate review.

Only after evaluation and approval by the NYSPHSAA, Inc. may students ineligible for participation by the Modified Program standards of age and grade be placed downward into the Modified (junior high school) sport programs.

NOTE: Refer to the State Education Department's manual on Selection/Classification for procedures and standards.

4. Individuals may compete in a maximum of two bouts. These bouts shall consist of a maximum of one minute per period. There must be a rest period of one hour between the conclusion of one bout and the start of the next. NOTE: If an individual competes in only one bout the time periods should be as follows:

Once a wrestler is established in a weight class, weight reduction and participation in a lower weight class is permitted only under a doctor's authorization and with the parent's permission.

N.Y.S.P.H.S.A.A., INC.
WRESTLING WEIGHT CONTROL PLAN

On the recommendation of the State Wrestling Committee and with the approval of the State Executive Committee the following weight classes are in effect: 98, 105, 112, 119, 126, 132, 138, 145, 155, 167, 177, 215 with 91 and 250 as optional weights for dual meets and tournaments.

1. This weight control plan is designed to prevent excessive weight loss which would endanger the health of the wrestler.

"Rapid weight reduction by any means weakens the wrestler and, unless there is considerable recovery time, he is less effective than he would be at the next higher weight. When unhealthy practices are followed they detract from the program."

(See rule 4-4-4.) The use of sweat boxes; hot showers; whirlpools; rubber, vinyl and plastic type suits; or similar artificial heating devices; diuretics and/or other drugs for weight reduction purposes is prohibited and shall disqualify an individual from competition.

2. After a minimum of 15 or a maximum of 20 practice sessions the school physician may re-weigh and re-classify the wrestler to a lower weight class. Re-certification must be made before any competition. A prospective wrestler who reports after the beginning of the season shall be certified in accordance with the above provisions.

3. An official NYSPHSAA, Inc. Wrestling Weight Permit Card for every wrestler must be filed in the home school after the final certification. A detailed list with all essential information from the Permit Card may be filed in lieu of sending the Permit Cards to the Section Wrestling Chairman.

4. Dual meets scheduled on a school day shall use the honor weigh-in procedure. A certified list of recorded weights signed by the Principal or Athletic Director shall be submitted at the official weigh-in before the meet. Each wrestler shall make the scratch weight at the earlier weigh-in and may be permitted an allowance of 3 pounds at the matside weigh-in. One not making the scratch weight at the early weigh-in will not be permitted the 3 pounds allowable and must make scratch weight at the matside in order to compete. Dual meets scheduled on a non-school day shall have the option of using the honor weigh-in procedure or the matside weigh-ins using the rule book limits of a maximum of one hour and a minimum of a half hour before a meet is scheduled to begin. This option must be agreed upon by the participating schools.

5. A growth allowance of 2 pounds shall be added to each weight class beginning December 25th and continuing until February 1st, when an additional 1 pound shall be added. An additional pound will be allowed on March 1st for the remainder of the season. Beginning the first of March, there shall be a net increase of 4 pounds per weight class, e.g. the 250 lb. class becomes 254 on March 1st.

6. It is recommended that a wrestler be permitted to compete in the 91 lb. class only if the weight is at least 83 lbs.; or in the 105 lb. class only if the weight is at least 95 lbs., but a wrestler must weigh in excess of 88 lbs. to be eligible at the 98 lb. class.

7. All heavyweights (215 lb. class) must weigh in excess of 175 lbs. No one may wrestle in the Unlimited class (250 lbs.) who does not weigh in excess of 215 lbs. The minimum required weight for the 215 lb. and 250 lb. weight class must be met and recorded at the matside weigh-in. (This is in addition to the honor weigh-in.) This class is optional in dual meets. NOTE: The growth allowance has no effect on changing the minimum weights for wrestlers at 215 and 250 lbs. These minimums remain the same throughout the entire wrestling season.

8. There shall be an allowance of one pound granted each day over the weight limit of the previous day in tournament competition. There is a 1 pound allowance for all involved teams the second day of a dual meet or tournament competition conducted on consecutive days. The maximum allowance for consecutive dual meets or the first day of a tournament following a dual meet is 1 pound. NOTE: A minimum of 48 hours notification to your opponent is required in order to be granted this one-pound allowance. This rule is voided at post-season wrestling tournaments, namely Class and Sectional competitions that are involved in the process of selection of competitors for championship competition.

9. All Sections are allowed the option of using the following weigh-in procedure for all two-day tournaments:

Wrestlers should be allowed to weigh-in at the conclusion of the first day's competition with a one-pound weight allowance. If the wrestler made weight, the weigh-in on the second day of the tournament is eliminated. NOTE: Rule book allows the addition of an extra pound on the second day of a 2-day tournament. If for any reason a wrestler failed to make weight that first day, he would be able to weigh-in at the tournament site as per usual on the second day.

51. WRESTLING

(a) A contestant (or team) may participate in no more than 18 interschool wrestling contests prior to participation in sectional, intersectional (if applicable), regional and state championships, and section approved exceptional senior contests. Participation as a contestant or in any exhibition match in any meet shall count as one of the 18 meets permitted and only four tournaments shall be permitted within the 18 meet limitation, exclusive of sectional and championship competition. A contestant may compete in no more than four bouts in one day. A contestant may compete in five bouts in one day in tournament competition only.

(b) The school physician shall determine the lowest weight class in which a contestant may wrestle prior to the first practice in which the contestant engages. It is recommended that the physician permit a weight reduction not to exceed 5% of the net weight recorded at the physical examination at the start of the winter sports season. A contestant shall be prohibited from wrestling within a weight classification more than one class above the actual weight.

(c) Dual meet tournaments shall be conducted as follows:

- 1) team entrants will be separated into two groups,
- 2) schools in one group will be matched and will wrestle schools in the other group, and
- 3) at the conclusion of the wrestling day, scores will be added of all dual meet contests to determine the first place winner and so on. This method is to be limited to a one day tournament subject to all the eligibility rules now in place.

The pink certification cards, signed by your doctor with weight class circled, should be kept on file at your school.

This will be distributed to the schools by the Section V Wrestling Coordinator. Your athletic director should have a copy of the NYSPHAA Handbook for your use, however some important parts of this are included in the Section V Wrestling Coaches' Handbook.

COACHES ARE RESPONSIBLE: For the conduct of their wrestlers, assistant coaches, spectators, and others associated with the team.

OPTIONAL WEIGHT CLASSES: 91 lbs. and 250 lbs. are optional weight classes. Individual leagues may make them mandatory. They can not be made mandatory in non-league matches. However, if they are wrestled they must be counted in the team score.

APPEALS PROCEDURE FOR SECTIONAL WRESTLING TOURNAMENTS
(Effective 1987-1988 Wrestling Season)

1. FOR "SUPER SECTIONAL" (Final Sectional Qualifier for State Tour.)

- a. The Appeals Committee shall be the WOA of Section 5 Official Rules Interpretation Committee (The Official Interpreter and those members of the WOA Executive Committee who attended the most recent State Interpretation meeting held in Oct. prior to start of the season.) This should be a 3 person committee. Otherwise, the WOA President, who is also the official interpreter, shall appoint other officials to fill the vacant position(s). This shall be done prior to the tournament.
- b. If any of the Executive Committee members who are members of the Interpretation Committee are unable to attend the Super Sectional or if any of the Interpretation Committee should have a "conflict of interest" in the match being appealed (e.g. being the official or assistant, school from same town, etc.), there shall be a previously established rank order of substitutes to fill any vacancies. This shall be done following the same procedure followed in "a" above.

2. FOR CLASS SECTIONALS

The Section 5 Chairman and the WOA President (who is also the official interpreter) shall cooperate in the selection of a Head Official for each class tournament. They will then designate officials in rank order to serve on the Appeals Committee with the Head Official. The committee shall number 3 persons. The Official Interpreter, when present, shall always be one of the members.

3. WHAT QUALIFIES FOR APPEAL AND WHAT PROCEDURES ARE FOLLOWED

- a. The procedure is intended only for Sectional Tournaments. It will be used in some tournaments on an experimental basis prior to the Sectionals, but only if the tournament has enough officials assigned so that the procedure can be implemented as stated above.
- b. Items involving tournament organization, etc. fall under the jurisdiction of the tournament chairman and not the appeals committee.
- c. The ONLY appeals that will be heard and ruled on by the Appeals Committee must involve a misapplication of a rule or a rule interpretation. As usual, calls involving judgement cannot be questioned, nor can they be appealed.

- d. The coach must first follow the procedures in the Rule Book (Rule 6-6-6). The coach must immediately tell the mat official that he wants to appeal the referee's application of the rule or interpretation.
- 1) If the match has ended, only the offended wrestler must remain on the mat, but the mat official shall instruct the other wrestler to remain in the mat area.
 - 2) The Appeals Committee shall be summoned. The coach has 2 minutes to state his case, but the Committee may want to question him additionally. Video tape will not be submitted as evidence, nor shall the appeals committee review any tape prior to making a decision. The referee and assistant, if being used, shall explain the call and the rationale for it.
 - 3) The Appeals Committee shall meet alone where they can be free from any interference and once they present their decision, it is final.
 - a) If a rule or interpretation has been misapplied, any penalties levied against the coach because of his protest, shall be removed. The situation shall be corrected and bad time wrestled, if necessary.
 - b) If the Appeals Committee rules that it is judgement being questioned, the coach shall be penalized according to the rule book only if he has not already been penalized during the match for questioning the same judgement call.
 - c) If the Appeals Committee rules that the referee's decision was correct, there shall be no further penalty against the coach because of the appeal. However, the coach may be penalized for any unsportsmanlike actions after the decision has been rendered.

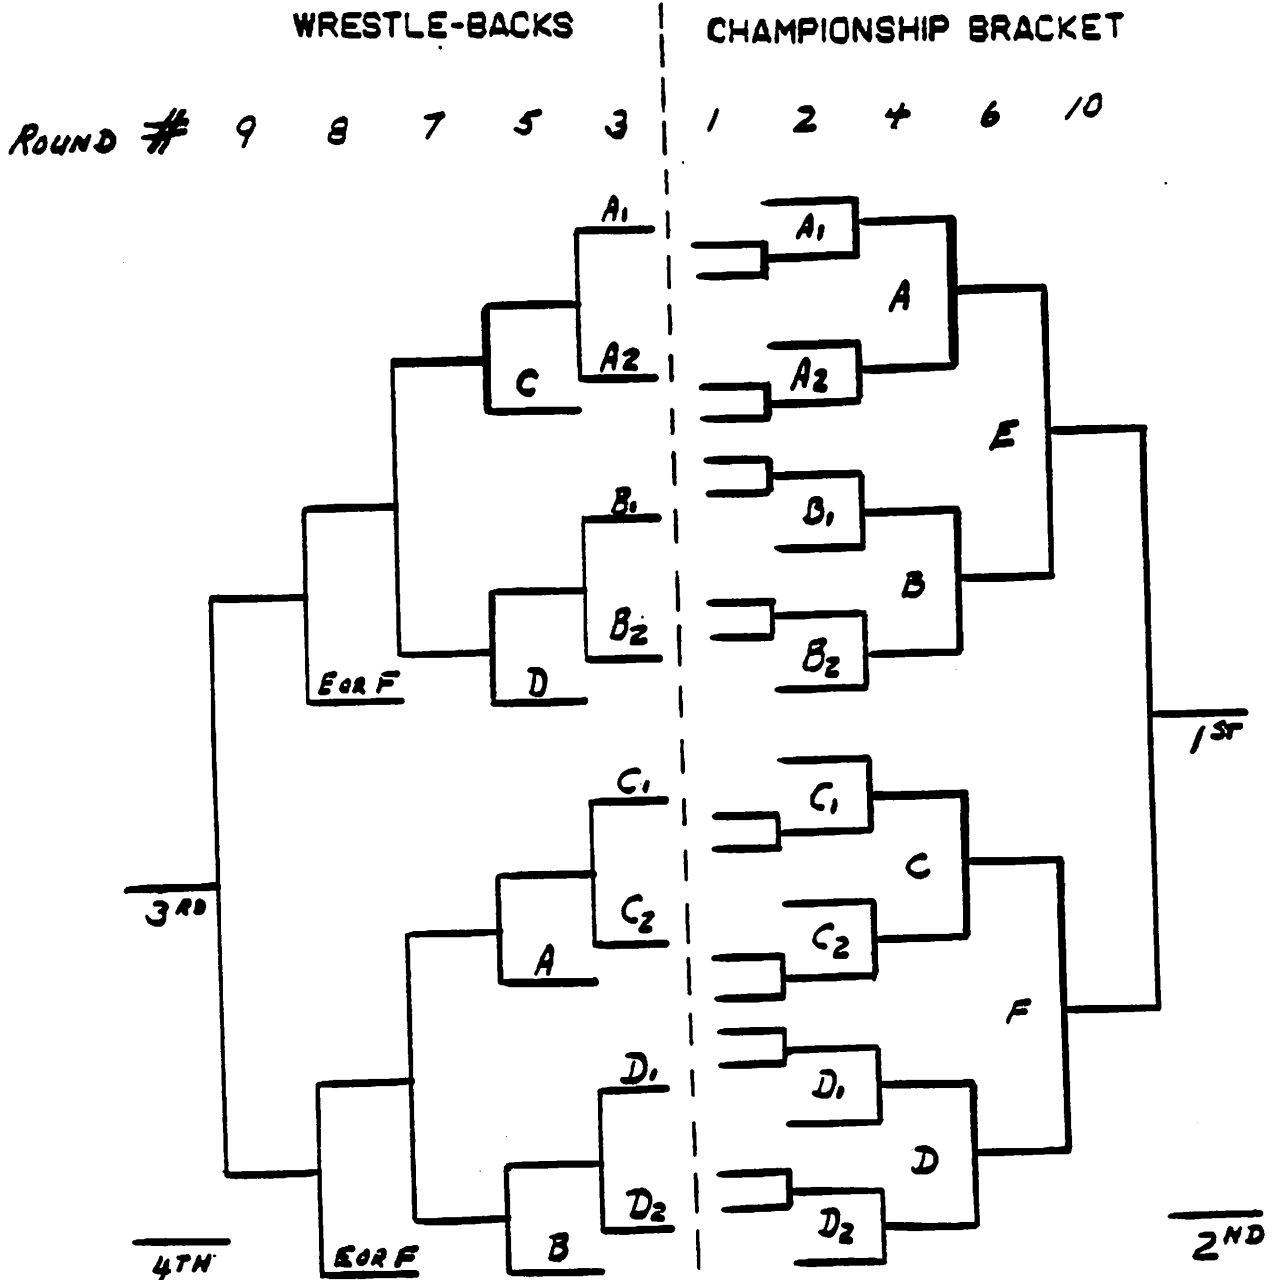

SECTION V SEEDING INFORMATION SHEETS
