It was the "next year" everyone talked of, waited for, anticipated. We didn't let them down! The toughest matches came early, Attica and East Rochester. Both seemed surprisingly easy. They nourished our confidence, maybe to a point of overconfidence. Then Eastridge set us straight. Mistakes were many and we almost blew it, but pride pulled us through 22-18. We knew we had it! We rolled over East and Madison, then the ultimate; revenge against Kearney was ever so sweet.

It was a close-knit team on all levels; Varsity, J.V., and Frosh. Each man pulled his own weight while pushing constantly for each other. Yet, most important in our success were the contributions of Coach Roselli. His enthusiasm and faith in us kept the team one, hungry and eager. For all he did, we gave him the season, a pittance in a debt we could never repay. Many may wonder, but we know what it means to be the best, undefeated, 15 and 0, NUMBER ONE.
