

VARSITY CHEERLEADERS

J. Nudd, J. Lauren, D. Dragon, C. Clement, N. Spierdowis, J. Martina

MISCELLANEOUS SPORTS

The girls worked hard on their cheerleading this year. They not only produced new cheers and real neat new uniforms, but also gave us a new fight song, "Hail to Albion".

Drum majorettes always add color to the band. They also gave us some of their mastered routines in assembly programs.

Among the intramural sports were volleyball, basketball, and baseball. There were also hockey and soccer teams which played nights after school.

We're especially proud of our wrestling squad this year. Many of the boys went to the sectional at Rochester. Most of our cheering was done after Richard Canham's victory over Rodger Magee to win the Orleans County championship in the unlimited class.
