HOLIDAY WRESTLING TOURNAMENT

The Board of Education, Administration, Faculty and Students of Olean High School welcome you to the 1975 Holiday Wrestling Tournament.

Tournaments such as these certainly instill the spirit of competition and good fellowship, which are so needed in our society today. Wrestling has taken its place as one of the outstanding sports in the Southern Tier, and one which has contributed much to the total development of our youth.

It is our wish that this spirit and fellowship is evidenced during this tournament and future ones. We at Olean High pledge to make this a memorable occasion for all who participate and sincerely hope you have a very merry holiday season.

HOW TO WATCH WRESTLING

LENGTH OF MATCH

Six minutes in length, divided into three periods of 2 minutes each.

- 1st period - Start from standing position
- 2nd period - Starts from the "referee's position". Choice of position is decided by the toss of a disc -- the winner of the toss may choose either up or down.
- 3rd period - Starts with the positions at the start of the second period reversed.

OBJECT OF EACH MATCH

1. To gain a fall by pinning an opponent, or
2. To gain a decision by outwrestling an opponent.

INDIVIDUAL SCORING

The following point system is used to decide the winner when no fall (pin) has been gained.

2 pts.	<u>Take Down</u>	(whenever a contestant brings his opponent under control to the mat from the standing position)
2 pts.	<u>Reversal of Position</u>	(whenever a contestant comes from a defensive position underneath and gains control offensively)
1 pt.	<u>Escape</u>	(whenever a contestant comes from a defensive position on the mat to a neutral position)
2 pts.	<u>Near Fall</u>	(situation in which the offensive wrestler has control of his opponent and a fall or near fall is imminent, one shoulder touching the mat and the other shoulder closer than 45° to the mat)
3 pts.	Near Fall	(when the requirements for a near-fall are maintained for 5 or more seconds)
1 pt.	<u>Stalling</u>	(Failure of either wrestler to attempt to improve their position)
1 pt.	<u>Technical Violations, Illegal holds, or Unsportsmanlike Conduct</u>
