## Wrestling

Coach - - - - Mr. Large

Assistant - - - Mr. Reese

This year a new sport was introduced to the Lyndonville students. Along with this new sport, a new kind of desire was brought into being. Because Lyndonville is in its first year of wrestling, there was a bit of doubt as to whether or not the team would be able to face the challenge that a first-year team must face. But this doubt was soon dissolved as a result of the fine coaching by Fred Large. Mr. Large has instilled a desire to win as a team and as an individual. The team had a tremendous amount of spirit and support, evidenced by the crowds that attended every match.
