

WRESTLING

Undefeated Season & Division Champs

The 1980-81 Varsity Wrestling Team

posted a perfect 15-0 record. For the Chiefs it was their first unbeaten season since 1970. Along with the wins came Iroquois' 21st Division Championship in the last 24 years. It was a season of many highlights but most memorable had to be the team's 29-22 victory over arch rival Pioneer. It was the first triumph against Pioneer in 11 years. The 1980-81 squad was the finest Iroquois has ever produced. Rodney Offhaus typifies this talent as he became the first Iroquois wrestler ever to win over 100 Varsity matches. All team members can be proud as they are now part of a winning wrestling tradition with a career record of 319-26-1.

Frosh: Fine Team Unit

The Freshmen Wrestlers started out the season as just a group of individuals, thinking only of their own record and match. As the season progressed so did the wrestlers and they developed into a fine team. The wrestlers finally realized the idea of team wrestling and what it takes to win as a team. As the wrestlers developed slowly and finished strong, so did their record. The team finished with a strong 9 wins against 3 losses to conclude a fine season.

CHEERLEADING

The Varsity Basketball Cheerleaders led by overall captain Charlann Sauers and Varsity captain Cheryl Quick enjoyed a prosperous season with the largest squad ever assembled by their advisor, Mr. Root. All the squads were coached by a former Iroquois Cheerleader, Vicki Cotton. Renewed interest in J. V. and Freshmen Basketball Cheerleading caused difficult try-outs but resulted in the best young squads Iroquois has produced yet. The J. V. captains were Linda Zicardi and Ann Vera. Margret Thompson and Amy Galuski led the Freshmen squad of twenty-two. All the girls possessed a surprising unity for such a numerous group. All the girls are dedicated to save a distinct style of cheerleading unique to Iroquois, with the excellence and discipline characteristic of the squads.

The Wrestling Cheerleaders experimented with a new concept in group organization under the advisorship of Mr. Root and the coaching of Vicki Cotton. Instead of rigid "J. V." and "Varsity" divisions, the squad was divided into flexible "A" and "B" units. Each week a "cheer-off" was held and those girls who performed the best, regardless of grade, were moved onto the "A" team, while the others were expected to improve on "B". Captains for the squads were rotated each week. Both these changes and new blue-pleated skirts have given the wrestling cheerleaders a new look.
