IF PORTVILLE'S 1983-84 wrestling team has as much success as its new coach, this is going to be one banner year.

Lance Anzivine, a 1981 All-American, is Portville's new coach, and brings with him a list of impressive credentials.

A 1978 Nordonia High School (Northfield, Ohio) graduate, Anzivine was a two-time U.S. Wrestling Federation national champion and a 3-time Amateur Athletic Union national champ. *11-12-83*

While attending Diablo Valley Community College in 1981, after transferring from Auburn (1978-81), Anzivine won the California State Championship and was named the Northern Regional Championships' Outstanding Wrestler.

Though having no previous high school coaching experience, Anzivine coached freestyle wrestling for the Novato Parks and Recreational Department in Novato, California in 1981.

While in high school, Anzivine, currently self-employed at the Cottage Restuarant in Portville, won the 1975 World Schoolboy Championship in Santo Domingo, Dominican Republic.

Portville opens its season December 2 at home against Salamanca.
