Junior High Matmen Learn Wrestling

The Lyons wrestling program, on the Junior High level is designed to introduce the boys to wrestling and teach them the basics about the sport. Mr. Boice is coaching this year and he has about twenty enthusiastic boys out for wrestling. So far they have had one match and that was against Sodus. Mr. Boice said, "The boys are eager and enthusiastic." He is looking forward to a good season and hopes that everyone on the team will learn from the experience.
