Wrestling Team

The Grapplers had a rather disappointing season this year. However, it was a rebuilding year as only five seniors wrestled varsity. In a division of "A" and "B" teams, the "A" team was supported by a strong nucleus including Gib Fusia, Eric Hoyer, Terry Lunser, Dan Damon, and J. R. Seeger. Several first year wrestlers also gained valuable experience which should help next year's team. Several strong "B" team wrestlers will also add to the team's strength for next season. Mr. Raymond and assistant Coach, Mr. Harvey both added knowledge and experience to the Grappler's skill and spirit.
