2014 EMPIRE COLLEGIATE WRESTLING CONFERENCE CHAMPIONSHIP SCORING

Tournament Scoring

Each wrestler earns individual placement points toward the team score as follows:

1st	2nd	3rd	4th	5th	6th
12	10	9	7	6	4

In addition to placement points, a team earns advancement points for wrestlers who win bouts and advance into the next round on the following basis:

Championship bracket victory.....1 point
Consolation bracket victory ..... ½ point

Type of decision
Fall .....2 points
Default.....2 points
Forfeit .....2 points
Disqualification .....2 points
Technical Fall (win by 15 or more points)
With near fall ..... 1 ½ points
Without near fall .....1 point
Major Decision (win by 8-14 points).....1 point

Match

Collegiate wrestling consists of an opening three-minute period followed by two two-minute periods. Wrestlers begin in stand-up neutral positions. A coin toss decides which contestant has his choice of position in the second period. The wrestler with the choice option can select up, down or neutral positions or defer. The competitor who does not choose a position in the second period has the choice of up, down or neutral in the third period.

Individual bout points are earned in the following ways:

Take down .....2 points
Escape.....1 point
Reversal .....2 points
Near fall (back points) ..... 2, 3 or 4 points
Penalty.....1 point
* Advantage time.....1 point

* Advantage (riding) time is awarded if a wrestler accumulates one minute or more in the advantage position than his opponent does. A maximum of one point is awarded for advantage time.

A fall, which ends the bout, occurs when a wrestler holds his opponent's shoulders or scapula to the mat for one second. A default occurs when a wrestler is unable to continue for any reason.

In the event that the competitors are tied at the end of three regular periods, they will wrestle a sudden-victory period a maximum of one minute in length with no rest between the regular bout and sudden-victory period. The sudden-victory period begins with both wrestlers in the neutral position. The wrestler who scores the first point(s) wins the bout.

If no winner has been decided at the end of the sudden-victory period, two 30-second tiebreaker periods will be wrestled. Starting position for the tiebreaker period is determined following regulation. Advantage time will be recorded.

If the score remains tied after the 30-second tiebreaker periods, a second round of overtime begins with another one-minute sudden-victory period. If no points are scored, two more 30-second tiebreaker periods will be wrestled with advantage time recorded. If the score remains tied at the end of the second overtime, time advantage shall be used to determine the winner.

ALFRED STATE PIONEERS

Quick Facts

Name.....Alfred State, SUNY College of Technology

Awards to include:

Team champion and runner-up

Individual champions, second place and third place
(top-six placewinners announced)

Oustanding Wrestler of the Championship

This season, the Empire Collegiate Wrestling Conference championship has been expanded to include up to two wrestlers at each weight class from each school, totaling a maximum of 16 wrestlers per weight class. The highest finishing wrestler for a program in a weight class determines the team points.

This year, berths into the NCAA Division III Championships on Friday and Saturday, March 14-15, in Cedar Rapids, Iowa, will be determined at six NCAA Div. III Regional Qualifiers on Saturday and Sunday, March 1-2. The top-three finishers in each of the 10 weight classes earn a spot at the national championship meet. Cortland, Ithaca, Oneonta and Oswego compete in the Northeast Regional, while Brockport, Lycoming and RIT compete in the Mideast Regional. Alfred State will compete in the National Collegiate Wrestling Association Northeast qualifier on March 1-2.
