MISCELLANEOUS SPORTS

Right down the alley went the bowling team of twenty-eight boys. They bowled every Thursday afternoon for ten weeks after school. The following six boys with the highest averages were chosen to represent the school at the county bowling tournament in Batavia: Dan Radzinski, Eugene Banas, Gordon Wells, Alfred Proctor, Jerry Earnst, and Dan Snell.

Our farmers are short this year but they had a surplus of ambition and kept on. They lost their games but fought hard. The F. F. A. basketball team, captained by Gordon Wells, played a total of six games this year with area schools, losing all six. The lack of height against the taller and more experienced players of the other schools is probably the main reason for an unsuccessful season.

Hard luck accompanied the Junior Varsity basketball team this year. The squad had 2 wins and 14 losses. One highlight of this year's season was the breaking of the school J. V. scoring record by John Leigh, who scored 31 points against Kendall. Good luck next year!

This year's wrestling squad, captained by G. Sullivan and G. Erway, has done well in competition with area schools and in the sectional matches. The nucleus of the squad has been made up of last year's returning lettermen: George Sullivan, Phil Jones, Allan Cote, Gerald Erway, Lawrence Atwell and David Spierdowis.
