Highlighting a winning season, the wrestling team took third spot in the league race. Coach Wright guided his squad to a victorious eight and six season's record. Captain Don Sabo was an individual standout as he wrestled his way to twelve wins and one tie in fourteen outings in garnering the heavy-weight championship of the conference. Sophomore Bob Jackson again produced an excellent record by remaining undefeated throughout most of the season, suffering only one defeat in thirteen

matches. Ron Parkinson, in his second year of wrestling, compiled a respectable twelve and two slate. Other notable team members were Lou Sabo, Mike Cohen, Don Fink, his brother Burt, Larry Detweiler, Jim Grable, and John Gentleman. Paul Harrison had his season cut short by an unfortunate accident and was technically the only undefeated member of the team with a two and nothing mark.
